SAFETY INFORMATION

WARNING: This product can expose you to chemicals including formaldehyde, which is known to the State of California to cause cancer. For more information, go to www.P65Warnings.ca.gov.

For your safety, ensure the armoire is assembled on a flat, stable surface. Do not stand the unit upright without the back attached, as the unit may collapse. A properly attached back will assure squareness, stability, and strength of your unit. Always follow the assembly instructions carefully. The drawer features metal runners and safety stops to help prevent accidental removal.

ASSEMBLY INSTRUCTIONS

Refer to the included assembly instruction booklet for detailed step-by-step guidance. The following videos provide visual assistance for key assembly steps.

1. Attaching the Back Panel

This video demonstrates the correct procedure for attaching the back panel to your unit, ensuring stability and

squareness.

Video: How to Attach the Back to Your Unit. This video guides you through securing the back panel, crucial for the armoire's structural integrity.

2. Identifying Drawer Rails

Learn how to correctly identify and differentiate between the various drawer rails (cabinet left, cabinet right, drawer left, drawer right) before installation.

OPERATING INSTRUCTIONS

Your Sauder Cottage Road Armoire is designed for convenient storage. Here are some key features and how to use them:

- **Garment Rod:** Located behind the large framed panel doors, the garment rod allows you to hang clothes such as dresses, shirts, and pants to keep them organized and wrinkle-free.
- **Adjustable Shelf:** The shelf behind the doors can be moved to different heights to accommodate various items like shoes, storage bins, or folded blankets.
- **Lower Storage Drawer:** The bottom drawer operates on smooth metal runners, providing easy access for storing miscellaneous household items like books, bed sheets, or board games.
