# Fossil Gen 5 Julianna Smartwatch FTW6036 User Manual

Model: FTW6036

## 1. INTRODUCTION

---

This manual provides detailed instructions for the setup, operation, maintenance, and troubleshooting of your Fossil Gen 5 Julianna Smartwatch, model FTW6036. Please read this guide thoroughly to ensure optimal performance and longevity of your device.

Image 1.1: Front view of the Fossil Gen 5 Julianna Smartwatch, displaying the time and date.

## 2. SETUP

### 2.1 Package Contents

- Fossil Gen 5 Julianna Smartwatch (FTW6036)
- Magnetic USB Rapid Charger
- Quick Start Guide

### 2.2 Initial Charging

Before first use, fully charge your smartwatch. The included magnetic USB rapid charger can charge the device up to 80% in under an hour.

1. Connect the USB end of the charger to a power adapter (not included) or a computer's USB port.
2. Align the magnetic charger with the charging contacts on the back of the smartwatch. It will snap into place.
3. The watch display will indicate charging status.

*Image 2.1: Rear view of the smartwatch, highlighting the heart rate sensor and charging contacts.*

## 2.3 Device Compatibility

The Fossil Gen 5 Julianna Smartwatch is powered by Wear OS by Google and is compatible with:

- Android OS 6.0+ (excluding Go Edition)
- iOS 12.0+

## 2.4 Pairing with Your Smartphone

To unlock full functionality, pair your smartwatch with your smartphone using the Wear OS by Google app.

1. Download the Wear OS by Google app from the Google Play Store or Apple App Store.
2. Open the app on your smartphone and follow the on-screen instructions to set up your new device.
3. Ensure Bluetooth is enabled on both your smartphone and smartwatch.
4. Select your smartwatch from the list of available devices in the app to begin the pairing process.

## 3. OPERATING INSTRUCTIONS

### 3.1 Basic Navigation

- **Touchscreen:** Swipe up, down, left, or right to navigate menus and notifications. Tap to select.
- **Crown:** Rotate the crown for scrolling. Press the crown to return to the watch face or access the app drawer.
- **Side Buttons:** Customizable buttons for quick access to frequently used apps or functions.

*Image 3.1: Side view of the smartwatch, illustrating the crown and customizable buttons.*

### 3.2 Notifications and Calls

Receive smartphone notifications directly on your wrist. The built-in speaker and microphone allow for audible alerts and taking phone calls.

- Swipe down from the watch face to view quick settings and notifications.
- Tap on a notification to expand it or interact with it.
- When a call comes in, you can answer or decline directly from the watch.

### 3.3 Health and Activity Tracking

Utilize Google Fit for comprehensive health and activity tracking.

- **Heart Rate:** The smartwatch continuously monitors your heart rate. Access heart rate data via the Google Fit app on your watch.

- **Activity Tracking:** Tracks steps, distance, calories burned, and active minutes.
- **Built-in GPS:** For accurate distance tracking during outdoor activities without needing your phone.

### 3.4 Google Assistant

Your personal Google Assistant is ready to help. Simply say "Hey Google" or press and hold the crown to activate it. Ask questions, set reminders, check weather, and more.

### 3.5 G Pay

Make secure payments directly from your wrist using G Pay. Ensure your payment cards are set up in the Google Pay app on your smartphone.

### 3.6 Music Storage and Control

Store music directly on your smartwatch (8GB storage capacity) or control music playback on your smartphone.

### 3.7 Smart Battery Modes

Extend your battery life with various smart battery modes. Access these modes through the settings menu on your watch to optimize performance based on your usage needs.

### 3.8 Find Your Phone

If you misplace your smartphone, your Fossil Smartwatch can trigger an audible alert on your phone to help you locate it quickly.

## 4. MAINTENANCE

---

### 4.1 Water Resistance

The Fossil Gen 5 Julianna Smartwatch features a swimproof design with 3ATM water resistance. This means it can withstand splashes, rain, and brief immersion in water, such as showering or shallow-water swimming. It is not suitable for diving or high-pressure water activities.

### 4.2 Cleaning Your Smartwatch

To maintain the appearance and functionality of your smartwatch:

- Wipe the watch case and band with a soft, damp cloth.
- Avoid using harsh chemicals or abrasive materials.
- Ensure the charging contacts are clean and dry before charging.

### 4.3 Charging

Charge your smartwatch regularly using the provided magnetic USB rapid charger. Avoid using third-party chargers that may not be compatible.

## 5. TROUBLESHOOTING

---

If you encounter issues with your Fossil Gen 5 Julianna Smartwatch, refer to the following common solutions:

### 5.1 Battery Drains Quickly

- **Adjust Battery Modes:** Utilize the smart battery modes in settings to optimize battery consumption.

- **Disable Unnecessary Features:** Turn off features like always-on display, Wi-Fi, or GPS when not needed.
- **Limit Notifications:** Reduce the number of app notifications sent to your watch.
- **Software Updates:** Ensure your watch's software is up to date, as updates often include battery optimizations.

5.2 Connectivity Issues (Bluetooth Disconnections)

- **Restart Devices:** Restart both your smartwatch and your smartphone.
- **Check Bluetooth:** Ensure Bluetooth is enabled on both devices and they are within range.
- **Re-pair Device:** If issues persist, try unpairing and re-pairing your smartwatch through the Wear OS by Google app.
- **App Updates:** Ensure the Wear OS by Google app on your phone is updated to the latest version.

5.3 Watch Not Responding

- **Force Restart:** Press and hold the crown button for approximately 10-15 seconds until the watch restarts.
- **Charge Device:** Ensure the watch has sufficient battery charge.

6. SPECIFICATIONS

SETTING UP

Below is an overview of the pairing and set-up process.

1 PAIR

1. Download and install the Wear OS by Google™ app from the App Store or Google Play store on the guest's smartphone.

2. Place the watch on the included charger (watch must be charged to at least 80% to pair).

3. Open the Wear OS by Google app and follow the on-screen instructions to pair the smartwatch.

2 CONNECT TO WI-FI

1. Access the Settings menu on the touchscreen smartwatch (swipe down from the dial).

2. Press **Connectivity**.

3. Press **Wi-Fi**. Ensure Wi-Fi is turned on, then press **Add network**.

4. Select your store's Wi-Fi network and enter the password on the guest's smartphone to connect.

3 SET UP FEATURES

1. Set up the features your guest will use the most, such as Google Fit. Swipe left from the dial and tap to begin set-up.

2. Select the guest's e-mail account.

3. Allow the guest to enter their height and weight on the smartwatch privacy.

4. Press the check mark to confirm.

TIP: Check for and run system updates to ensure the watch is running the latest operating system. From the Settings menu, press **System** > **About** > **System updates**.

TIP: Turn on background heart rate to view a real-time graph of heart rate changes throughout the day. From the Google Fit screen, press **Turn on**.

SKILL PRACTICE

The guest just purchased a touchscreen smartwatch. How would you offer to pair and set up their new smartwatch in the store?
