

Feit Electric PLUG/WIFI/WP

Feit Electric Smart Outdoor Plug Instruction Manual

Model: PLUG/WIFI/WP

Brand: Feit Electric

PRODUCT OVERVIEW

The Feit Electric PLUG/WIFI/WP Wi-Fi enabled outdoor smart plug provides convenient control over two outdoor devices from any location. This smart plug allows you to transform any standard device into a smart device, enabling power control, scheduling, and timer functions directly from an intuitive smartphone application. It supports grouping of devices for simplified control and integrates seamlessly with voice assistants like Alexa and Google Assistant. Designed for outdoor use, it is ETL Wet location rated.

Figure 1: Feit Electric Smart Outdoor Plug (Model PLUG/WIFI/WP)

SETUP AND INSTALLATION

What's in the Box

- Feit Electric Smart Outdoor Plug (PLUG/WIFI/WP)

Initial Setup Steps

1. **Plug In:** Plug the Smart Wi-Fi Outdoor Plug into an outdoor-rated electrical outlet.

Ensure the plug is securely connected to a suitable outdoor outlet.

2. **Check Indicator Light:** The indicator light on the plug must be blinking rapidly to connect. If the light is not blinking rapidly, press and hold the power button on the plug for 5 seconds until it starts blinking rapidly.
3. **Download and Open App:** Download the Feit Electric App from your smartphone's app store. Open the Feit Electric App.
4. **Add Device:** In the app, choose a location (e.g., "Home") and tap "Add Device" or the "+" icon in the upper right corner.
5. **Select Device Type:** Select "Plugs" and then "Outdoor Plug".
6. **Confirm Blinking:** If the indicator light is blinking rapidly, press "Confirm" in the app.
7. **Enter Wi-Fi Password:** You will be prompted to enter the password for your Wi-Fi network. *Note: This app and device only work with 2.4GHz Wi-Fi networks. 5GHz networks are not supported.* Ensure your phone and device are as close to your router as possible during connection.

Figure 2: App interface for Wi-Fi connection.

8. **Connection Process:** The plug will begin connecting. If the connection fails, verify your Wi-Fi password (it is case-sensitive) and ensure you are on a 2.4GHz network. You may need to close the app and repeat the steps or consult the help section within the app.
9. **Rename Device (Optional):** Once successfully added, you can rename the plug by tapping the pen icon, entering a new name, and tapping "Save", then "Done".

OPERATION

Once your Feit Electric Smart Outdoor Plug is successfully set up, you can control it and connected devices using the Feit Electric App or voice commands.

App Control Features

- **Remote Access:** Power devices on or off from anywhere using your smartphone.
- **Scheduling:** Set daily or weekly schedules for devices to turn on and off automatically. This is ideal for holiday lights or garden features.

A Holiday Game Changer

Remote Access

Scheduling

Countdown Timer

Only supports
2.4GHz Wi-Fi
networks

Figure 3: Setting up schedules for automated control.

- **Countdown Timer:** Set a countdown for devices to turn off after a specified duration.
- **Device Sharing:** Share control of the smart plug with multiple users through the app.
- **Grouping:** Group multiple smart plugs or other Feit Electric smart devices together for unified control with a single tap.

Figure 4: Grouping multiple plugs for simultaneous control.

Voice Control

The Feit Electric Smart Outdoor Plug is compatible with Amazon Alexa and Google Assistant. Once connected, you can use simple voice commands to control your connected devices. For example, "Alexa, turn off the lights outside."

MAINTENANCE

The Feit Electric Smart Outdoor Plug is ETL Wet location rated, designed to withstand various weather conditions. To ensure optimal performance and longevity:

- Regularly inspect the plug and connected cords for any signs of damage or wear.
- Keep the plug free from excessive dirt, debris, or standing water. Wipe clean with a damp cloth if necessary.
- When not in use for extended periods, store the plug in a dry, protected area.

Weather Resistant, Wet Location Rated

Figure 5: The plug is designed to be weather resistant.

TROUBLESHOOTING

If you encounter issues with your Feit Electric Smart Outdoor Plug, please refer to the official [Troubleshooting Guide \(PDF\)](#) for comprehensive solutions. Below are some common troubleshooting tips:

- **Plug Not Connecting to Wi-Fi:**

- Ensure your Wi-Fi network is 2.4GHz. The device does not support 5GHz networks.
- Verify that you have entered the correct Wi-Fi password. Passwords are case-sensitive.
- Try moving the smart plug closer to your Wi-Fi router during the setup process.
- Reset the smart plug by holding the power button for 5 seconds until the indicator light blinks rapidly.

- **Voice Control Issues:**

- Ensure your smart plug is properly linked to your Alexa or Google Assistant account through the Feit Electric App.
- Check your internet connection and the status of your voice assistant device.

- **Device Not Responding:**

- Unplug the smart plug from the outlet, wait a few seconds, and plug it back in.
- Check if your Wi-Fi network is active and stable.

WARRANTY AND SUPPORT

Limited Warranty

This product is warranted to be free from defects in workmanship and materials for up to 1 year from date of purchase. If the product fails within the warranty period, please contact Feit Electric at info@feit.com or visit feit.com/contact-us for instructions on replacement or refund. REPLACEMENT OR REFUND IS YOUR SOLE REMEDY. EXCEPT TO THE EXTENT PROHIBITED BY APPLICABLE LAW, ANY IMPLIED WARRANTIES ARE LIMITED IN DURATION TO THE DURATION OF THIS WARRANTY. LIABILITY FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES IS HEREBY EXPRESSLY EXCLUDED. Some states and provinces do not allow the exclusion of incidental or consequential damages, so the above limitation or

exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state or province to province.

Caution

RISK OF ELECTRIC SHOCK. Do not use if outer lamp envelope is damaged or broken. Use only on 120 volt 60Hz circuits. Suitable for damp locations. Minimum starting temperature -25°C (-13°F). This device is not intended for use with emergency exit fixtures or emergency lights. Lamp may not be compatible with all dimmers. When installing, make sure that power is switched off before connecting or disconnecting to fixture. Do not look directly into the light. For more information including dimmer compatibility visit www.feit.com. Patent: feit.com/patents

The performance specifications (lumens, watts, life, CCT, and CRI) printed on this product package should only be considered an approximation of expected performance.
