Beautyrest BR20-0992

Beautyrest BR 600 TC Cooling Cotton Blend Solid Sheet Set Instruction Manual

Model: BR20-0992 (King Ivory)

PRODUCT OVERVIEW

The Beautyrest BR 600 TC Cooling Cotton Blend Solid Sheet Set is designed to provide a comfortable and cool sleeping experience. These sheets feature a cooling treatment to help manage moisture and maintain a comfortable temperature throughout the night. The fabric is a blend of 60% cotton and 40% polyester with a 600 thread count sateen weave, offering a soft feel and durability. This set is OEKO-TEX certified, ensuring it is free from harmful substances.

PACKAGE CONTENTS

The King Ivory 4-piece set includes:

- 1 Flat Sheet: 108"W x 102"L
- 1 Fitted Sheet: 78"W x 80"L + 16"D
- 2 King Pillowcases: 21"W x 41"L

Note: Twin size sets include 1 pillowcase.

SETUP AND FIRST USE

Before initial use, it is recommended to wash the sheet set to remove any manufacturing residues and to enhance softness. Follow the care instructions provided in the Maintenance section.

OPERATING INSTRUCTIONS (FITTING THE SHEETS)

1. **Fitted Sheet:** Place the fitted sheet over your mattress. The elasticized corners are designed to fit mattresses up to 18 inches deep, ensuring a snug and secure fit. Start by securing two corners on one side of the mattress, then stretch the sheet over the remaining two corners.
2. **Flat Sheet:** Lay the flat sheet over the fitted sheet, ensuring it is centered on the bed. The top edge can be folded back over the blanket or duvet for a finished look.
3. **Pillowcases:** Insert your pillows into the pillowcases. The open end of the pillowcase should be positioned away from the head of the bed for a neat appearance.

MAINTENANCE AND CARE INSTRUCTIONS

Proper care will extend the life and maintain the quality of your Beautyrest sheet set.

- **Washing:** Machine wash in cold water with similar colors. Use a gentle cycle.
- **Detergent:** Use a mild detergent. Avoid using bleach or harsh chemicals, as these can damage the fabric and affect the cooling treatment.
- **Drying:** Tumble dry on low heat. Remove promptly to prevent wrinkles. If desired, iron on low heat.
- **Fabric Softeners:** Fabric softeners are generally not recommended as they can reduce the effectiveness of the cooling treatment over time.

TROUBLESHOOTING

Issue: Sheets do not feel cool enough.

Solution: The cooling treatment is designed to manage moisture and help regulate temperature. Ensure proper air circulation in the room. Avoid using heavy blankets or duvets that may counteract the cooling effect. Washing according to instructions helps maintain the fabric's properties.

Issue: Fitted sheet does not fit the mattress properly.

Solution: The fitted sheet is designed for mattresses up to 18 inches deep. Verify your mattress depth. Ensure the sheet is stretched evenly over all four corners. If the mattress is significantly thicker than 18 inches, the sheet may not fit securely.

Issue: Fabric feels rough or not as soft as expected.

Solution: The sheets are a cotton-polyester blend with a sateen weave. Initial washes can sometimes improve softness. Ensure you are not using excessive detergent or harsh chemicals, which can affect

fabric texture. Avoid overloading the washing machine.

SPECIFICATIONS

Model Number	BR20-0992
Size	King
Color	Ivory
Material	60% Cotton, 40% Polyester
Thread Count	600
Fitted Sheet Pocket Depth	16 inches (fits up to 18 inch mattress)
Care Instructions	Machine Wash Cold
