Goplus 48-inch Garage Workbench with Bamboo Tabletop and Pegboard Organizer User Manual

Model: 4ffc2279-71a8-4e53-bf74-55d573a70b27

1. INTRODUCTION

This manual provides essential information for the safe assembly, operation, and maintenance of your Goplus 48-inch Garage Workbench. This workbench is designed for various tasks, offering a durable work surface, integrated tool storage, and a removable pegboard organizer. Please read these instructions thoroughly before assembly and use to ensure proper function and longevity of the product.

The Goplus workbench features a robust steel frame, a natural bamboo tabletop, a separable drawer, and a removable pegboard with hooks for organized tool storage. Its design supports a load capacity of up to 500 lbs, making it suitable for a wide range of workshop and garage applications.

2. SAFETY INFORMATION

Always follow basic safety precautions when using this product to reduce the risk of injury or damage.

- **Read all instructions:** Before assembly and use, carefully read and understand all instructions provided in this manual.
- **Weight Capacity:** Do not exceed the maximum load capacity of 500 lbs (227 kg) for the workbench. Distribute weight evenly across the tabletop.
- **Stable Surface:** Assemble and use the workbench on a flat, level, and stable surface. Adjust the feet as necessary to ensure stability.
- **Proper Assembly:** Ensure all bolts, screws, and fasteners are securely tightened before use. Periodically check and re-tighten as needed.
- **Children and Pets:** Keep children and pets away from the workbench during assembly and operation.
- **Sharp Edges:** Be aware of potential sharp edges during assembly. Wear appropriate protective gear, such as gloves.
- **Tool Storage:** Securely hang tools on the pegboard. Do not overload the pegboard or drawer.
- **Moving the Workbench:** If moving the workbench, ensure it is empty and lift it carefully to avoid injury or damage.

3. COMPONENTS LIST

Verify that all components are present before beginning assembly. If any parts are missing or damaged, contact customer support.

- Workbench Frame (Iron legs)
- Bamboo Tabletop
- Pegboard Organizer (Steel)
- Drawer Assembly
- Adjustable Plastic Feet (4x)
- Set of Hooks for Pegboard
- Assembly Hardware (Bolts, Screws, Washers, Allen Wrench)

4. SETUP AND ASSEMBLY

Assembly of the Goplus workbench is straightforward. It is recommended to have two people for certain steps to ensure safety and ease of assembly.

4.1 Tools Required

- Included Allen Wrench
- Phillips Head Screwdriver (not included, for some fasteners if applicable)

4.2 Assembly Steps

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches. Verify all components against the list.
2. **Attach Legs to Tabletop:** Position the bamboo tabletop upside down. Attach the iron leg frames to the underside of the tabletop using the provided bolts and washers. Do not fully tighten all bolts until the entire frame is assembled.
3. **Install Crossbars:** Connect the leg frames with the horizontal crossbars using the appropriate hardware. This provides structural stability.
4. **Insert Drawer Assembly:** Slide the drawer assembly into its designated slot beneath the tabletop. Ensure the slide rails are properly aligned and secured.
5. **Attach Adjustable Feet:** Screw the four plastic adjustable feet into the bottom of the leg frames.
6. **Position Workbench Upright:** With assistance, carefully flip the workbench upright onto its feet.
7. **Install Pegboard:** Secure the steel pegboard organizer to the back of the workbench frame using the provided hardware. Ensure it is firmly attached.
8. **Final Tightening:** Once all components are in place, go back and securely tighten all bolts and screws.
9. **Adjust Leveling Feet:** Place the workbench in its desired location. Adjust the plastic feet by rotating them to level the workbench and eliminate any wobbling on uneven floors.
10. **Attach Pegboard Hooks:** Insert the provided hooks into the pegboard holes as desired for tool organization.

5. OPERATING AND USAGE

5.1 Workbench Surface

The 48-inch bamboo tabletop provides a durable and spacious work area. It is suitable for various tasks, including assembly, repairs, and crafting. The natural bamboo material is treated with environment-friendly UV paint for protection.

5.2 Pegboard Organizer

The removable pegboard allows for convenient storage and organization of small tools. Utilize the included hooks to hang frequently used items within easy reach. The pegboard can be removed if a simpler desk configuration is desired.

Pegboard Removable Design

Image: Illustration of the Goplus workbench's removable pegboard design. The left shows the workbench with the pegboard attached, while the right shows the unit without the pegboard, functioning as a writing table.

5.3 Separable Drawer

The large-volume drawer provides enclosed storage for tools and accessories. It features a handle and smooth slide rails for easy access. The drawer can be divided internally using removable dividers to create customized compartments for different storage needs.

Organizer Drawer with Dividers

Two removable dividers make it easy to create compartments of different sizes.

5.4 Adjustable Feet

The four plastic adjustable feet allow you to fine-tune the workbench's height and level it on uneven floor surfaces, ensuring a stable and safe working environment.

6. MAINTENANCE

- **Cleaning:** Wipe the bamboo tabletop and steel frame with a damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Fastener Check:** Periodically inspect all bolts, screws, and connections. Re-tighten any loose fasteners to maintain structural integrity.
- **Bamboo Care:** While the bamboo tabletop is treated, avoid prolonged exposure to moisture or extreme temperatures. Clean up spills promptly.
- **Drawer Rails:** If the drawer becomes stiff, apply a small amount of silicone lubricant to the slide rails.

7. TROUBLESHOOTING

| Problem | Possible Cause | Solution |
|--------------------------------------|---|---|
| Workbench is wobbly/unstable. | Uneven floor surface; loose fasteners. | Adjust the leveling feet until stable. Check and tighten all assembly bolts. |
| Drawer is difficult to open/close. | Misaligned slide rails; debris in rails; overloaded drawer. | Ensure drawer is properly seated on rails. Clean rails of any obstructions. Do not overload the drawer. Apply silicone lubricant if needed. |
| Pegboard hooks do not stay in place. | Incorrect hook insertion; overloaded hooks. | Ensure hooks are fully inserted and properly seated in the pegboard holes. Do not exceed the weight capacity of individual hooks. |

8. SPECIFICATIONS

| Feature | Detail |
|---------------------------------------|--|
| Brand | Goplus |
| Model Number | 4ffc2279-71a8-4e53-bf74-55d573a70b27 |
| Overall Dimensions (L x W x H) | 48" x 24" x 69.5" (121.92 x 63.5 x 176.53 cm) |
| Desk Dimensions (L x W x H) | 48" x 24" x 37.5" |
| Pegboard Dimensions (L x W) | 48" x 28" |
| Material | Bamboo (tabletop), Iron (legs), Steel (pegboard), Plastic (feet) |
| Color | Black (frame), Natural (bamboo tabletop) |
| Load Capacity | 500 lbs (227 kg) |
| Net Weight | 113 lbs (51.26 kg) |
| Assembly Required | Yes |

Load Capacity: 660LBS
