2. SETUP AND APPLICATION

This section outlines the steps for applying the foam stickers to your pumpkins.

1. **Prepare Your Pumpkin:** Ensure the pumpkin surface is clean and dry. For best adhesion, avoid oily or excessively bumpy surfaces.
2. **Select a Design:** Choose one of the 16 available designs. Refer to the included guide or product images for inspiration. Note that pieces for each design are often mixed across different colored foam sheets, requiring sorting before application.
3. **Remove Pieces:** Carefully pull out the desired foam pieces from their respective sheets.
4. **Peel Adhesive Backing:** Locate the adhesive backing on each foam piece and peel it off.
5. **Apply to Pumpkin:** Press the foam sticker firmly onto the pumpkin surface in the desired arrangement. Smooth out any air bubbles.

3. OPERATING INSTRUCTIONS

The JOYIN Pumpkin Decorating Foam Sticker Kit is designed for straightforward use. Once applied, the stickers adhere to the pumpkin surface, creating a decorative display.

- The stickers are self-adhesive and do not require additional glue or tools for application.
- This kit offers a safe alternative to pumpkin carving, suitable for children and adults.
- Creativity is encouraged; mix and match pieces from different designs to create unique characters.

MULTIPLE HALLOWEEN DESIGNS

Jack-o-Lantern, Monster, Witch, Spider, Frankenstein and many more Halloween designs you can choose for your pumpkins!

4. MAINTENANCE AND STORAGE

These foam stickers are designed for single use and are not intended for reapplication once removed. Proper handling ensures the best display during their intended use.

- **Cleaning:** No cleaning is required for the stickers themselves. If the pumpkin surface becomes dirty, clean it before applying stickers.
- **Storage:** Store unused sticker sheets in a cool, dry place away from direct sunlight to preserve adhesive quality.
- **Disposal:** After use, the stickers can be peeled off and disposed of with general waste.

5. TROUBLESHOOTING

This section addresses common issues that may arise during the use of the pumpkin decorating kit.

Issue	Possible Cause	Solution
-------	----------------	----------

Issue	Possible Cause	Solution
Stickers do not adhere well to the pumpkin.	<ul style="list-style-type: none"> ◦ Pumpkin surface is wet or dirty. ◦ Pumpkin surface is excessively bumpy or textured. ◦ Adhesive backing was not fully removed. 	<ul style="list-style-type: none"> ◦ Ensure pumpkin surface is clean and completely dry before application. ◦ Choose smoother areas of the pumpkin for application. ◦ Verify that the entire adhesive backing has been peeled off. ◦ Press firmly on the sticker after placement.
Difficulty finding all pieces for a specific design.	Pieces are often mixed across different colored foam sheets rather than being grouped by design.	Refer to the product images or included design guide to identify and sort pieces by color and shape before beginning application. This may require some pre-assembly sorting.
Stickers peeling off after exposure to elements.	The stickers are primarily designed for indoor or sheltered outdoor use. Prolonged exposure to rain or extreme humidity can affect adhesion.	For best results and longevity, display decorated pumpkins indoors or in covered outdoor areas.
