AVF FS1500VARBB-A

AVF Varano TV Stand Instruction Manual

Model: FS1500VARBB-A

INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your AVF Varano TV Stand. Please read all instructions carefully before beginning assembly to ensure safe and correct installation and use of the product. This stylish black TV stand features a black glass top and open shelf storage, designed to accommodate various entertainment components and media.

SAFETY INFORMATION

Always adhere to the following safety guidelines to prevent injury or damage to the product.

- Ensure all components are present and undamaged before assembly. Do not use if any parts are missing or broken.
- Assembly should be performed on a soft, clean surface to prevent scratching.
- Do not overtighten screws, as this may damage the material.
- This TV stand is designed to support TVs up to 132 lbs (60 kg) on the top surface and 22 lbs (10 kg) per glass shelf. Do not exceed these weight limits.
- Place the TV stand on a level, stable surface to prevent tipping.
- Keep small parts and packaging materials away from children.
- All glass components are tempered for safety, but handle with care to avoid breakage.

PARTS LIST

Before assembly, verify that all parts listed below are included in your package. If any parts are missing, contact AVF customer support.

Part	Description	Quantity
A	Top Panel (Black Glass)	1
B	Middle Shelf (Black Glass)	1
C	Bottom Shelf (Black Glass)	1
D	Side Support Panels (Wood)	2
E	Center Support Panel (Wood)	1
F	Glass Shelf Supports/Spacers	6
G	Assembly Hardware (Screws, Washers, Allen Key)	1 Set

SETUP AND ASSEMBLY INSTRUCTIONS

Follow these steps carefully for proper assembly. It is recommended to have two people for assembly.

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out on a soft, clean surface to prevent scratches. Refer to the Parts List to identify each component.
2. **Attach Side Supports to Bottom Shelf:** Secure the two Side Support Panels (D) to the Bottom Shelf (C) using the provided hardware (G). Ensure they are aligned correctly.
3. **Attach Center Support:** Connect the Center Support Panel (E) to the Bottom Shelf (C) in the designated central position, using the appropriate hardware.
4. **Install Glass Shelf Supports:** Insert the Glass Shelf Supports/Spacers (F) into the pre-drilled holes on the Side Support Panels (D) and Center Support Panel (E) where the middle shelf will rest.
5. **Place Middle Shelf:** Carefully place the Middle Shelf (B) onto the installed Glass Shelf Supports (F). Ensure it sits securely and evenly.
6. **Install Top Panel:** Position the Top Panel (A) onto the top of the Side Support Panels (D) and Center Support Panel (E). Secure it using the remaining hardware (G). Ensure all connections are firm but do not overtighten.

OPERATING INSTRUCTIONS

Once assembled, your AVF Varano TV Stand is ready for use.

- **Placement:** Position the TV stand on a flat, stable, and level surface. Ensure there is adequate space around the stand for ventilation of electronic devices.
- **TV Placement:** Carefully place your television on the top panel. Ensure the TV's base fits within the dimensions of the top panel (59" W x 15.7" D). For TVs with wide feet, verify your TV base width against the stand's dimensions.
- **Component Storage:** Utilize the two black glass shelves for storing your entertainment components such as media players, gaming consoles, soundbars, and other accessories.
- **Cable Management:** The stand features handy cable management to help maintain a clean and organized living space. Route cables through the designated openings or along the back of the stand to keep them tidy and out of sight.

MAINTENANCE

Proper care will extend the life and appearance of your TV stand.

- **Cleaning:** Use a soft, damp cloth to wipe down the wood and glass surfaces. Avoid abrasive cleaners or harsh chemicals, as they may damage the finish.
- **Dusting:** Regularly dust the stand to prevent buildup.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary, but do not overtighten.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may cause fading or damage to the wood finish.

TROUBLESHOOTING

If you encounter any issues with your TV stand, refer to the following common solutions.

- **Stand is Wobbly:**
 - Ensure the stand is placed on a completely level surface.
 - Check all assembly screws and ensure they are securely tightened.
- **Missing Parts:**
 - Double-check all packaging materials.
 - Contact AVF customer support with your product model and a description of the missing part.
- **Scratched Surface:**
 - Minor scratches on wood may be touched up with furniture repair markers.
 - For glass, avoid placing abrasive items directly on the surface.
