Faultless Luxe Ironing Spray

Faultless Premium Luxe Ironing Spray User Manual

Brand: Faultless | **Model:** Luxe Ironing Spray (15 Oz, 2 Pack)

1. PRODUCT OVERVIEW

The Faultless Premium Luxe Ironing Spray is designed to provide a professional, firm finish for your clothes and fabrics. This product helps reduce ironing time by creating a smooth, pliable surface, ensuring wrinkle-free results without flaking, sticking, or clogging your iron. It is suitable for all colors and includes odor-eliminating technology.

Key Features:

- Professional grade with a firm finish.
- Helps to easily remove wrinkles.
- Fibrehancer technology to make clothes look newer longer.
- Fibrefresher odor neutralizing technology.
- Non-stick formula prevents fabric dragging and iron clinging.
- Non-clogging, non-flaking, and leaves no residue.
- Versatile for clothes, curtains, sheets, and craft projects.

2. SETUP

Before using the Faultless Premium Luxe Ironing Spray, ensure your ironing area is prepared and well-

ventilated.

1. Set up your ironing board in a stable position.
2. Ensure the fabric you intend to iron is clean and dry.
3. Prepare your iron according to the fabric's care instructions.

3. OPERATING INSTRUCTIONS

Follow these steps for optimal results when using Faultless Premium Luxe Ironing Spray:

1. **Lay Item:** Lay the garment or fabric flat on the ironing board.
2. **Spray Evenly:** Hold the can approximately 8 inches away from the fabric. Spray evenly with a sweeping motion. For additional stiffness, re-spray and iron again.
3. **Iron:** Iron the fabric at the recommended setting for the specific material. The spray helps the iron glide smoothly, reducing wrinkles effectively.

The image shows the back label of a Faultless Premium Luxe Finish Ironing Spray Pro Grade can. The label is primarily brown and white with blue accents. At the top left, the brand name 'Faultless' is written in a large, blue, serif font with a red star above the 's'. Below it, 'PREMIUM' is in a white box with a brown border, and 'LUXE FINISH' is in a brown box with a white border. Underneath, 'Ironing Spray Pro Grade' is written in a smaller font. A graphic shows a brown shirt and a white iron. To the right, there are three numbered steps: 1. Lay item on ironing board, 2. Spray evenly at 45° from 8" away, and 3. Iron at recommended fabric setting. Below these steps, it says 'FOR ADDITIONAL STIFFNESS, RE-SPRAY AND IRON AGAIN'. Further down, there are 'USAGE TIPS' and a 'CAUTION' section. The bottom of the label features a barcode, a recycling symbol, and contact information.

SOFT CRISP

ALL-COLORS FORMULA

For use on any color—including dark fabrics—with no flaking, sticking or clogging. Makes ironing faster and easier while imparting a freshly-laundered scent.

INSTRUCTIONS

- 1 Lay item on ironing board
- 2 Spray evenly at 45° from 8" away
- 3 Iron at recommended fabric setting

FOR ADDITIONAL STIFFNESS, RE-SPRAY AND IRON AGAIN

USAGE TIPS

- ✓ For best results, allow ironing spray to fully penetrate fabric before ironing.
- ✓ For large items—such as table linens—spray and iron small portions at a time, ensuring complete & even coverage.
- ✓ To fully empty can, align nozzle with red dot and spray at a 45° angle.
- ✓ Use on cotton, wool and other washable fabrics, but not on dry clean only items.

CAUTION: CONTENTS UNDER PRESSURE: Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120°F. Use only as directed in a well ventilated area. Do not take internally and avoid breathing vapors. Intentional misuse by inhaling the contents can be harmful or fatal. **KEEP OUT OF REACH OF CHILDREN.**

CONTAINS: Water, Butane, Sodium Polymethacrylate, Dimethicone, Isobutane, Methylisothiazolinone, Methylchloroisothiazolinone, Peg-12 Dimethicone, Propane, Sodium Nitrite, Fragrance.

7. TROUBLESHOOTING

Faultless Premium Luxe Ironing Spray is formulated to prevent common issues associated with ironing sprays. If you encounter any difficulties, consider the following:

- **Flaking or Residue:** Ensure you are spraying evenly and not oversaturating the fabric. Allow the spray to penetrate before ironing. The product is designed to be non-flaking and residue-free.
- **Iron Sticking:** The non-stick formula should prevent this. Ensure your iron's soleplate is clean and free of buildup.
- **Insufficient Stiffness:** For a firmer finish, re-spray the fabric lightly and iron again.
