# Simplicity Sewing Pattern H0202 / 8722 Instruction Manual

Misses', Men's, and Teens' Costumes

[Introduction](#)   [Pattern Details](#)   [Preparation](#)   [Assembly](#)   [Care & Maintenance](#)   [Troubleshooting](#)   [Specifications](#)   [Support](#)

## 1. INTRODUCTION

This manual provides detailed instructions for utilizing Simplicity Sewing Pattern H0202 / 8722. This pattern is designed for creating various costume jumpsuits suitable for Misses', Men's, and Teens' sizes. Following these guidelines will assist you in successfully completing your sewing project, from pattern selection to final garment assembly.

## 2. PATTERN DETAILS

The Simplicity H0202 / 8722 pattern package includes all necessary pattern pieces and instructions for three distinct jumpsuit views (A, B, and C). This pattern is available in size A, which covers XS-S-M-L-XL.

### 2.1 Recommended Fabrics

This pattern is suitable for a variety of woven fabrics. Recommended options include: Misses', Men's, Denim, Linen, and Twill. For View A's sleeve band, a stretchable ribbed knit fabric is recommended. Always refer to the 'Pick-A-Knit® Rule' if using knit fabrics. Note that extra fabric may be required to match plaids, stripes, or one-way design fabrics.

### 2.2 Notions Required

- ¾" wide hook and loop tape (1 yard)
- Simplicity® Glow in the Dark Iron On Transfer (one 8" x 10" sheet) OR 1" x 4" each of fabric and paper-backed fusing web remnants for patch.
- For View B: One package of ¾" wide single fold bias tape.
- For View C: Two 9" metal zippers.
- Simplicity Trims (optional, refer to pattern envelope).

### 2.3 Sizing and Measurements

Refer to the tables below for body measurements and fabric requirements to ensure you select the correct pattern

size and purchase adequate material.

**8722**  
15 PIECES

**A**

**B**

**C**

**MISSES', MEN'S AND TEENS' COSTUME**

**Fabrics:** Canvas, Chino, Denim, Linen Types, Twill. **A Sleeve Band** in stretchable ribbed knit fabric. See Pick-A-Knit® Rule. Extra fabric needed to match plaids, stripes or one-way design fabrics.

**Notions:**  $\frac{3}{8}$  yd. of  $\frac{3}{8}$ " wide hook and loop tape, one 8" x 10" sheet of Simplicity® Glow in the Dark Iron On Transfer OR, 1" x 4" each of fabric and paper backed fusing web remnants for patch. **B:** One pkg. of  $\frac{1}{2}$ " wide single fold bias tape. **C:** Two 9" metal zippers. Look for Simplicity Trims.

Finished Back Length from Base of Neck	59	59½	60	60½	61
A,B,C Leg Width	15¾	16¾	17¾	18¾	19¾

### 3. PREPARATION

---

#### 3.1 Fabric Preparation

Before cutting, pre-wash and dry your fabric according to its fiber content. This helps prevent shrinkage after the garment is sewn. Press the fabric to remove any wrinkles, ensuring accurate cutting.

#### 3.2 Pattern Piece Identification

Carefully unfold the pattern sheets. Identify all pattern pieces required for your chosen view (A, B, or C). Each piece is numbered and labeled. Handle pattern pieces gently to avoid tearing.

# 8722 FRONT AND BACK VIEWS

Image: Line drawings illustrating the different views of the jumpsuit pattern.

## 3.3 Cutting Instructions

Lay your fabric flat on a large surface. Refer to the cutting layout diagrams provided within the pattern instructions for your specific size and fabric width. Pin pattern pieces securely to the fabric, aligning with the grainline arrows. Cut carefully around each pattern piece using sharp fabric shears.

## 3.4 Marking Fabric

Transfer all pattern markings (notches, dots, squares, darts, fold lines) from the pattern pieces to your fabric using tailor's chalk, a fabric marker, or tailor's tacks. These markings are crucial for accurate assembly.

## 4. ASSEMBLY

---

This section outlines the general steps for assembling your costume jumpsuit. Always refer to the detailed step-by-step instructions included with your physical pattern for specific guidance on each view.

### 4.1 General Sewing Guidelines

- Use a standard  $\frac{5}{8}$ " (1.5 cm) seam allowance unless otherwise specified.
- Press seams open or to one side as instructed after each sewing step for a professional finish.
- Finish raw edges with a zigzag stitch or serger to prevent fraying.
- Use appropriate needle and thread for your chosen fabric type.

### 4.2 Step-by-Step Assembly (Overview)

1. **Prepare Pattern Pieces:** Apply interfacing where indicated (e.g., facings, collars, cuffs).
2. **Construct Bodice:** Sew shoulder seams, attach collar/hood, and insert sleeves.
3. **Construct Pants:** Sew inner leg seams and crotch seams.
4. **Join Bodice and Pants:** Attach the bodice to the pants at the waistline.
5. **Insert Zipper:** Install the front zipper according to pattern instructions.
6. **Add Pockets:** Construct and attach any specified pockets (e.g., cargo pockets, chest pockets).
7. **Finish Cuffs and Hem:** Attach sleeve bands/cuffs and hem the pant legs.
8. **Final Details:** Add any embellishments, patches, or hook and loop tape as per your chosen view.

## 5. CARE & MAINTENANCE

---

### 5.1 Garment Care

Once your costume is complete, follow the care instructions specific to the fabric you used. Generally, most cottons and blends can be machine washed cold and tumble dried low. Always test a small swatch if unsure about fabric care. Iron on a low to medium setting, avoiding any heat-sensitive embellishments.

### 5.2 Pattern Storage

To preserve your Simplicity pattern for future use, carefully refold all pattern pieces and place them back into the original envelope. Store the envelope in a dry, cool place away from direct sunlight to prevent yellowing or damage.

## 6. TROUBLESHOOTING COMMON SEWING ISSUES

---

Even experienced sewers encounter challenges. Here are some common issues and potential solutions:

- **Puckering Seams:** Check your tension settings, use the correct needle size for your fabric, and ensure you are not stretching the fabric while sewing.
- **Uneven Stitching:** Verify your bobbin is wound correctly, the machine is threaded properly, and the presser foot pressure is appropriate for your fabric.
- **Garment Doesn't Fit:** Double-check your measurements against the pattern's finished garment measurements. Consider making a muslin (test garment) before cutting into your final fabric. Adjustments can be made at side seams, darts, or by altering pattern pieces.
- **Fabric Slipping:** Use more pins, a walking foot, or tissue paper underneath delicate fabrics to prevent shifting.

## 7. SPECIFICATIONS

---

Feature	Detail
Brand	Simplicity
Model Number	H0202A1 / 8722
Media Type	Physical Pattern
Material (Pattern)	Paper
Recommended Uses	Costumes
UPC	039363102021
Package Dimensions	8.5 x 5.91 x 0.35 inches

## 8. WARRANTY & SUPPORT

---

Simplicity patterns are produced with high-quality standards. If you encounter any issues with the pattern itself (e.g., missing pieces, printing errors), please contact the retailer where you purchased the pattern or visit the official Simplicity website for customer support. While specific warranties for sewing patterns are not typically offered, your satisfaction is important.
