Sundale Outdoor LOUNG-03BLU-VC

Sundale Outdoor Rattan Wicker Chaise Lounge Set Instruction Manual

Model: LOUNG-03BLU-VC

INTRODUCTION

Thank you for choosing the Sundale Outdoor Rattan Wicker Chaise Lounge Set. This manual provides essential information for the safe assembly, operation, and maintenance of your new outdoor furniture. Please read these instructions carefully before use and retain them for future reference.

SAFETY INFORMATION

WARNING:

- Keep out of reach of children.
- Avoid contact with skin and eyes.
- If ingested, seek medical help immediately.
- Ensure all bolts and screws are securely tightened before use.
- Do not exceed the maximum weight capacity of 260 lbs per lounge chair.
- Place the chaise lounge on a stable, level surface to prevent tipping.

PACKAGE CONTENTS

Please verify that all components are present before beginning assembly:

- 2 x Chaise Lounge Frames
- 2 x Cushions (Turquoise)
- 2 x Pillows (Striped)
- Hardware and Tools (Allen wrench, screws)

Overall Dimension (Fully Flat): 78.35 inches (L) x 27.56 inches (W) x 13.78 inches (H)

Overall Dimension (Upright Position): 78.35 inches (L) x 27.56 inches (W) x 33.46 inches (H)

Weight Capacity: 260 lbs

Seat Height: 15.75 inches

Seat Depth: 15.75 inches

Chair Backrest Width: 27.56 inches

KEY FEATURES

Image: Sundale Outdoor Chaise Lounge Set. A visual representation of the assembled product in an outdoor setting.

- **Handcrafted Wicker:** Durable, all-weather resin wicker over a powder-coated steel frame ensures longevity and resistance to fading and cracking.
- **5-Position Adjustable Backrest:** Easily adjust the backrest to five different reclining positions, including fully flat, for various comfort needs such as relaxing, reading, napping, sunbathing, or sleeping.
- **Upgraded Comfort:** Features padded cushions and throw pillows covered with durable Olefin material for enhanced relaxation.
- **Versatile Use:** Designed for outdoor environments like patios, poolsides, decks, and yards, but also suitable for indoor use.

ASSEMBLY INSTRUCTIONS

Assembly is required but is straightforward. Please follow these steps:

1. Unpack all components and ensure all parts listed in the "Package Contents" section are present.
2. Align the two main sections of the chaise lounge.
3. Insert the provided screws into the designated holes to connect the sections. Use the included Allen wrench to tighten securely.
4. Ensure all connections are firm and stable before proceeding.
5. Carefully unfold the backrest and leg supports.
6. Place the cushions and pillows onto the assembled chaise lounge.

Video: Assembly and Adjustment Guide. This video demonstrates the process of connecting the chaise lounge sections and adjusting the backrest.

OPERATING INSTRUCTIONS

Adjusting the Backrest:

The chaise lounge features a 5-position adjustable backrest. To adjust:

- 1. Gently lift the backrest to disengage it from its current position.
- 2. Move the backrest to your desired angle.
- 3. Lower the backrest until it securely locks into one of the five available notches.
- 4. Ensure the backrest is firmly locked before leaning back.

Adjusting the Headrest Pillow:

The headrest pillow can be moved up or down to accommodate different user heights and provide optimal comfort.

CARE AND MAINTENANCE

- **Cleaning:** Wipe clean with a damp cloth and mild detergent. Avoid harsh chemicals.
- **Cushions:** The cushions are removable and made of durable Olefin material. For cleaning, gently wipe with a wet towel and some detergent. Allow to air dry completely.
- **Weather Protection:** While the resin wicker is weather-resistant, it is recommended to cover the chaise lounges during prolonged periods of harsh weather or when not in use to extend their lifespan.
- **Rust Prevention:** The steel frame is powder-coated for rust resistance. However, to prevent rust stains, especially on new patios, ensure the furniture is not left in standing water and wipe away any moisture promptly.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Chaise lounge feels unstable.	Loose screws or uneven surface.	Ensure all assembly screws are tightened. Place the lounge on a flat, level surface.
Backrest does not stay in position.	Not properly engaged in the notch.	Lift and re-engage the backrest, ensuring it clicks securely into one of the five positions.
Rust-colored water stains appear.	Water accumulation in the steel frame.	Regularly inspect the frame for any standing water. Wipe dry after rain. Consider covering the furniture during heavy precipitation.
Cushions feel uncomfortable.	Personal preference or cushion settling.	While cushions are padded, comfort is subjective. Consider adding additional padding if desired.
