### GOBOULT X1

# GOBOULT BassBuds X1 Wired In-Ear Earphones User Manual

Model: X1

## PRODUCT OVERVIEW

The GOBOULT BassBuds X1 are wired in-ear earphones designed to deliver a high-quality audio experience. Featuring 10mm extra bass drivers and HD sound, these earphones are built for comfort, durability, and versatile use. They include an in-line microphone and controls for convenient management of calls and music.

## KEY FEATURES

- **10mm Extra Bass Driver:** Experience deep, punchy bass and high-fidelity acoustics.
- **In-line Controls:** Easily manage music playback (play/pause), answer/reject calls, and activate voice assistants with a single button.
- **Built-in HD Microphone:** Ensures clear calls and voice commands.
- **Kevlar-Reinforced Cable:** Provides enhanced durability and tangle-resistant performance.
- **IPX5 Water Resistant:** Protects against sweat and splashes, making them suitable for workouts and outdoor activities.
- **Comfort Fit Design:** Ergonomically angled earbuds with ear loops offer a snug and secure fit for extended wear.
- **Voice Assistant Compatible:** Supports Google Assistant and Siri for hands-free control.
- **Exquisite Metal Finish:** Stylish and premium design with a brushed metallic look.
- **Lightweight & Travel-Friendly:** Compact and light build for daily portability.

## WHAT'S IN THE BOX

Upon opening your GOBOULT BassBuds X1 package, you will find the following items:

- 1 x GOBOULT BassBuds X1 Wired Earphones
- Multiple pairs of silicone ear tips (various sizes)
- Multiple pairs of silicone ear loops (various sizes)
- 1 x Instruction Manual

*Image: The package contents of the GOBOULT BassBuds X1, showing the earphones, additional silicone ear tips, and ear loops for a customized fit.*

## SETUP

### 1. Choosing the Right Ear Tips and Loops

For optimal sound quality and comfort, select the ear tips and ear loops that best fit your ears. Experiment with different sizes provided in the package to find the most secure and comfortable seal. The ear loops are designed to provide a snug fit, preventing the earphones from slipping during active use.

### 2. Connecting the Earphones

The BassBuds X1 feature a standard 3.5mm audio jack. Simply plug the L-shaped connector into the 3.5mm audio port of your compatible device (smartphone, laptop, tablet, etc.). Ensure the connector is fully inserted for proper audio transmission.

## OPERATING INSTRUCTIONS

---

### In-line Controls

The in-line remote provides convenient control over your audio and calls:

- **Single Press:** Play/Pause music, Answer/End calls.
- **Double Press:** Skip to the next track.
- **Triple Press:** Go to the previous track.
- **Long Press:** Activate your device's voice assistant (Google Assistant or Siri).

### Microphone Usage

The built-in HD microphone allows for clear hands-free communication. When a call comes in, use the single press function on the in-line control to answer. You can also use the microphone to issue voice commands to your device's assistant.

## MAINTENANCE

---

### Water Resistance (IPX5)

The BassBuds X1 are rated IPX5 water resistant, meaning they are protected against low-pressure water jets from any direction. This makes them suitable for use during workouts or in light rain. However, they are not designed for submersion in water. Avoid prolonged exposure to heavy rain or direct water streams.

## Cable Care

The Kevlar-reinforced cable is designed to be durable and tangle-resistant. To prolong its lifespan, avoid excessive pulling or sharp bending of the cable. When storing, gently coil the cable to prevent knots and damage.
