YNR A12

YNR A12-4 Wired Earbuds User Manual

Model: A12

INTRODUCTION

Thank you for choosing the YNR A12-4 Wired Earbuds. This manual provides essential information for the proper setup, operation, and maintenance of your new earbuds. Please read it thoroughly before use to ensure optimal performance and longevity of the product.

Image: YNR A12-4 Wired Earbuds in various colors.

The image displays four pairs of YNR A12-4 wired earbuds, each in a different color: black, pink, white, and green. The earbuds feature a standard 3.5mm audio jack, suitable for a wide range of devices.

PRODUCT FEATURES

- **Integrated Microphone and Controls:** Features built-in multi-function buttons and volume adjustment for convenient call management and audio control.
- **Sound Isolation:** Designed with solid sound insulation material to reduce external noise and minimize sound leakage, providing clear audio.
- **Ergonomic Design:** Ultra-soft ErgoFit in-ear design ensures a secure and comfortable fit.
- **High-Fidelity Audio:** Delivers clear, top-level sound quality with strong bass, robust midrange, and precise treble response.
- **Wide Compatibility:** Compatible with devices featuring a 3.5mm headphone jack, including iPhones, Android smartphones, iPods, iPads, MP3 players, and music speakers.
- **Durable Cable:** The cable features a fixed design for enhanced durability.

PACKAGE CONTENTS

The YNR A12-4 Wired Earbuds package typically includes:

Image: Gold-Plated 3.5mm Audio Jack.

A detailed view of the gold-plated 3.5mm audio jack, designed for reliable connection with various audio devices.

2. Using the In-line Controls

The earbuds feature an in-line control unit with a microphone and buttons for managing audio playback and calls:

- **Single Press:** Play/Pause music, Answer/Hang up calls.
- **Double Press:** Skip to the next music track.
- **Triple Press:** Go back to the previous music track.
- **Volume Slider:** Adjust the audio volume up or down.

Multifunctional Microphone

A close-up shot of a single earbud, illustrating its in-ear design and the quality of its construction.

MAINTENANCE

- Keep the earbuds clean by gently wiping them with a soft, dry cloth.
- Avoid exposing the earbuds to extreme temperatures, moisture, or direct sunlight.
- Store the earbuds in a clean, dry place when not in use to prevent tangling and damage.
- Do not pull the cable forcefully when disconnecting from a device; always grasp the plug.

TROUBLESHOOTING

Problem	Solution
No sound or low volume	<ul style="list-style-type: none">◦ Ensure the 3.5mm jack is fully inserted into the device.◦ Check the volume settings on your device and the earbud's in-line control.◦ Test with another audio device to rule out device-specific issues.

Problem	Solution
Microphone not working	<ul style="list-style-type: none"> ◦ Ensure the 3.5mm jack is fully inserted. ◦ Check your device's audio input settings to confirm the external microphone is selected. ◦ Test with another device to verify microphone functionality.
Poor sound quality	<ul style="list-style-type: none"> ◦ Ensure the eartips are properly seated in your ears for optimal sound isolation. ◦ Clean the eartips and speaker grilles to remove any debris. ◦ Test with different audio sources or devices.
