Smith Lowdown Slim 2 Sunglasses User Manual

Model: 20104408651QG

INTRODUCTION

Welcome to the user manual for your new Smith Lowdown Slim 2 Sunglasses. These sunglasses are designed to provide superior visual clarity and protection, featuring advanced ChromaPop lenses and a durable, lightweight frame. This manual will guide you through the product's features, proper use, maintenance, and care to ensure optimal performance and longevity.

PRODUCT OVERVIEW AND KEY FEATURES

Image: Smith Lowdown Slim 2 Sunglasses in Black Jade with Chromapop Polarized Opal Mirror lenses. The image displays the front view of the sunglasses, highlighting the reflective green-blue lenses and the sleek black frame.

The Smith Lowdown Slim 2 Sunglasses are engineered with precision and comfort in mind. Key features include:

- **CHROMAPOP POLARIZED lenses:** Optically tuned for visual comfort, impact protection, enhanced glare reduction, and anti-reflective, water, and oil resistant coatings with 100% UV protection.
- **EVOLVE Eco-Material Construction Frame:** Features 53% bio-based material in its injected-polymer design, making it part of Smith's eco-friendly sunglass collection.
- **Hydroleophobic Lens Coatings:** Repels moisture, grease, and grime, simplifying cleaning of smudges and fingerprints. Anti-reflective coatings on the back side eliminate bothersome sidelight reflections.
- **Medium-fit/large coverage:** Designed for comfortable wear.

- **Hydrophilic megol nose pads:** Ensures all-day comfort and a secure fit.
- **4 base frame and Auto-lock hinges:** Contributes to the sunglasses' durability and stable structure.
- **Included Microfiber bag:** For cleaning and storage.
- **Dimensions:** Lens width: 61mm, Lens height: 42mm, Bridge width: 16mm, Temple length: 130mm.

SETUP AND INITIAL USE

Your Smith Lowdown Slim 2 Sunglasses are ready for use right out of the box.

1. **Unboxing:** Carefully remove the sunglasses from their packaging.
2. **Initial Inspection:** Check the lenses and frame for any visible damage or defects.
3. **Fit Adjustment:** The hydrophilic megol nose pads are designed for comfort. If the fit feels too loose or tight, minor adjustments to the temple arms can sometimes be made by a qualified optician. Avoid bending the frame excessively yourself to prevent damage.
4. **First Wear:** Place the sunglasses on your face, ensuring the nose pads rest comfortably on your nose bridge and the temple arms extend securely over your ears.

OPERATING INSTRUCTIONS

These sunglasses are designed for daily use and various outdoor activities, providing enhanced vision and protection.

- **Wearing:** Always hold the sunglasses by the frame when putting them on or taking them off to avoid touching the lenses and leaving fingerprints.
- **Lens Technology:** The ChromaPop Polarized lenses are engineered to filter specific wavelengths of light, enhancing contrast and natural color definition. This technology is particularly beneficial in bright conditions, reducing eye strain and improving visual clarity.
- **UV Protection:** The lenses provide 100% UV protection, safeguarding your eyes from harmful UVA/B/C rays.
- **Activity Use:** Suitable for driving, sports, and general outdoor activities where sun protection and clear vision are essential.

MAINTENANCE AND CARE

Proper care will extend the life and maintain the performance of your Smith Lowdown Slim 2 Sunglasses.

- **Cleaning Lenses:**
 - Use the provided microfiber bag or a clean, soft, lint-free cloth to gently wipe the lenses.
 - For stubborn smudges or dirt, rinse the lenses with lukewarm water. A mild soap can be used if necessary, but avoid harsh chemicals or abrasive cleaners.
 - Dry with a clean microfiber cloth. The hydrophobic coating helps repel water and oil, making cleaning easier.
- **Cleaning Frame:** Wipe the frame with a damp cloth and mild soap if needed, then dry thoroughly.
- **Storage:** When not in use, store your sunglasses in the provided microfiber bag or a protective case to prevent scratches and damage. Avoid leaving them in direct sunlight in a hot environment (e.g., car dashboard) as extreme heat can warp the frame or damage the lens coatings.

- **Avoid Harsh Environments:** Do not expose sunglasses to saltwater for extended periods without rinsing, as salt can corrode hinges and damage coatings.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Lenses appear smudged or dirty.	Fingerprints, dust, or oils.	Clean with the provided microfiber cloth. For stubborn marks, rinse with lukewarm water and mild soap, then dry.
Sunglasses feel loose or uncomfortable.	Frame adjustment needed.	Visit a qualified optician for professional adjustment of the frame or temple arms.
Scratches on lenses.	Improper cleaning or storage.	Always use a soft cloth for cleaning and store in a protective case. Scratches are generally not repairable; replacement lenses may be an option if available from the manufacturer.
