PKPOWER AC DC Adapter

PK Power AC DC Adapter Instruction Manual

For Pangao PG-2404G, PG-2404G1, PG-2404G2 Eye Massagers

1. Introduction

This instruction manual provides essential information for the safe and effective use of your PK Power AC DC Adapter. This adapter is designed to provide power to compatible devices, specifically Pangao PG-2404G, PG-2404G1, and PG-2404G2 Eye Massagers. Please read this manual thoroughly before use and retain it for future reference.

2. Product Overview

The PK Power AC DC Adapter is a reliable power supply unit designed to convert alternating current (AC) from a wall outlet to direct current (DC) required by your Pangao Eye Massager. It features robust protection mechanisms to ensure the safety of both the adapter and the connected device.

Image 2.2: Side view of the PK Power AC DC Adapter, highlighting the wall plug and cable connection.

3. Safety Information

To prevent injury, damage to the product, or damage to other property, please observe the following safety precautions:

- Ensure the adapter's input voltage (100-240V) matches the local power supply.
- Do not expose the adapter to water, moisture, or extreme temperatures.
- Avoid dropping or subjecting the adapter to strong impacts.
- Do not attempt to open, modify, or repair the adapter. Refer servicing to qualified personnel.
- Keep the adapter away from children and pets.
- Unplug the adapter from the wall outlet when not in use for extended periods.
- This adapter is equipped with **OVP** (Over Voltage Protection), **OCP** (Over Current Protection), and **SCP** (Short Circuit Protection) to ensure safe operation.
- The product is **CE** / **FCC** / **RoHS certified**, indicating compliance with health, safety, and environmental protection standards.

4. Setup

Follow these steps to set up your PK Power AC DC Adapter:

1. **Unpack:** Carefully remove the adapter from its packaging.
2. **Inspect:** Check the adapter and its cable for any visible damage. Do not use if damaged.
3. **Connect to Device:** Insert the adapter's output connector firmly into the power input port of your Pangao PG-2404G, PG-2404G1, or PG-2404G2 Eye Massager.
4. **Connect to Power Outlet:** Plug the adapter's wall plug into a standard electrical wall outlet (100-240V AC).
5. The device is now ready for use.

5. Operating Instructions

Once properly connected, the PK Power AC DC Adapter will supply power to your compatible device. There are no specific operational controls on the adapter itself.

- Ensure the adapter is securely plugged into both the wall outlet and the eye massager.
- Refer to your Pangao Eye Massager's instruction manual for specific operating procedures of the massager itself.
- To disconnect power, first unplug the adapter from the wall outlet, then disconnect it from the eye massager.

6. Maintenance

Proper maintenance ensures the longevity and safe operation of your adapter:

- **Cleaning:** Disconnect the adapter from all power sources before cleaning. Use a soft, dry cloth to wipe the exterior. Do not use liquid cleaners or solvents.
- **Storage:** Store the adapter in a cool, dry place away from direct sunlight and extreme temperatures. Avoid tightly winding the cable to prevent damage.
- **Inspection:** Periodically inspect the cable and plug for any signs of wear, cuts, or damage. If damage is found, discontinue use and replace the adapter.

7. Troubleshooting

If you encounter issues with your PK Power AC DC Adapter, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Device not powering on.	Adapter not properly connected. Wall outlet not functioning. Device issue.	Ensure adapter is firmly plugged into both the wall and the device. Test the wall outlet with another appliance. Consult your eye massager's manual for troubleshooting.
Adapter feels unusually hot.	Overload or poor ventilation.	Disconnect the adapter immediately. Ensure it is used in a well-ventilated area and not covered. Verify the connected device's power requirements are within the adapter's specifications.
Visible damage to cable or plug.	Physical wear or damage.	Discontinue use immediately. Replace the adapter with a new, compatible unit.

If the problem persists after trying these solutions, please contact customer support.

8. Specifications

- **Model:** PK Power AC DC Adapter (B07TKL9GC9)
- **Input:** 100-240V AC, 50-60Hz
- **Protection Features:** Over Voltage Protection (OVP), Over Current Protection (OCP), Short Circuit Protection (SCP)
- **Certifications:** CE, FCC, RoHS
- **Connector Type:** Auxiliary
- **Compatible Devices:** Pangao PG-2404G, PG-2404G1, PG-2404G2 Eye Massagers

- **Color:** Black
- **Power Source:** Corded Electric

9. Warranty and Support

PK Power is committed to providing high-quality products and customer satisfaction. For any inquiries or support needs, please contact our customer service team.

- **Customer Service:** Our friendly and reliable customer service will respond to you within 24 hours.
- Please have your product model (AC DC Adapter, B07TKL9GC9) and a description of the issue ready when contacting support.
