Home Centre Lawson Fabric Recliner (3 Seater, Brown) Instruction Manual

Model: MB-R060- NEW

INTRODUCTION

This manual provides essential information for the safe and proper use of your Home Centre Lawson Fabric Recliner. Please read these instructions carefully before assembly and use, and retain them for future reference. This 3-seater recliner is designed for comfort and relaxation in your living space.

SETUP

The Home Centre Lawson Fabric Recliner requires professional carpenter assembly, which will be provided by the seller upon delivery. Ensure the recliner is placed on a level surface, away from direct sunlight, heat sources, and excessive moisture.

Dimensions:

- Length: 203 cm
- Width: 100 cm
- Height: 100 cm

Image: The Home Centre Lawson Fabric Recliner, showing its overall dimensions of 203 cm length, 100 cm width, and 100 cm height.

Ensure adequate space around the recliner for full reclining motion, especially behind and in front of the unit.

OPERATING INSTRUCTIONS

This recliner features a manual reclining mechanism. To recline, locate the lever on the side of the recliner. Pull the lever to release the footrest and lean back gently to achieve your desired reclining position. To return to the upright position, push the footrest down with your legs until it locks into place, and the backrest will return to its original position.

Avoid sudden movements or excessive force when operating the reclining mechanism. Do not allow children to play on or operate the recliner unsupervised.

MAINTENANCE

Regular maintenance ensures the longevity and appearance of your recliner.

Cleaning Instructions:

- **Fabric Upholstery:** The recliner is upholstered with polyester fabric. For general cleaning, wipe clean with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the fabric.
- For spills, blot immediately with a clean, dry cloth. Do not rub.
- Vacuum regularly using an upholstery attachment to remove dust and debris.

General Care:

- Periodically check all bolts and screws to ensure they are tight.
- Keep the recliner away from direct sunlight to prevent fading of the fabric.
- Avoid placing hot items directly on the fabric.

TROUBLESHOOTING

If you encounter issues with your recliner, refer to the following common solutions:

- **Reclining Mechanism Stiff:** Ensure no obstructions are preventing the mechanism from moving freely. Check if the recliner is placed too close to a wall.
- **Footrest Not Locking:** Apply firm, even pressure to the footrest when closing it. Ensure the lever is fully engaged.
- **Unusual Noises:** Check for any loose components or debris caught in the mechanism. If noises persist, contact customer support.

For issues not resolved by these steps, please contact customer support.
