

Devia DV-307591

Devia Metal In-ear Wired Earphone User Manual

Model: DV-307591 | Color: Silver

1. INTRODUCTION

Thank you for choosing the Devia Metal In-ear Wired Earphones. These earphones are designed to provide a high-quality audio experience with the convenience of an in-line remote and microphone. Featuring a durable metal construction and ergonomic design, they are suitable for various activities, from daily commutes to relaxation.

2. PACKAGE CONTENTS

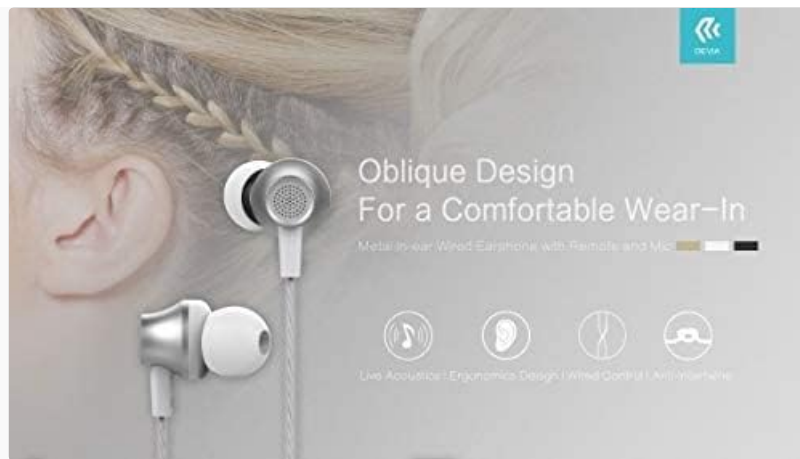

Please check the package for the following items:

- Devia Metal In-ear Wired Earphones (Silver)
- Integrated Cable with 3.5mm Plug

3. SETUP

Setting up your Devia Metal In-ear Wired Earphones is straightforward:

1. **Identify the Audio Port:** Locate the 3.5mm audio jack on your smartphone, tablet, laptop, or other compatible audio device.
2. **Connect the Earphones:** Insert the 3.5mm plug of the earphone cable firmly into your device's audio jack. Ensure a secure connection to prevent audio interruptions.
3. **Wear the Earphones:** Gently place the ear tips into your ears. The ergonomic design is intended for a comfortable and secure fit.

4. OPERATING INSTRUCTIONS

Your Devia earphones feature an in-line remote and microphone for convenient control of audio playback and calls.

4.1. Audio Playback

- **Play/Pause:** Press the multi-function button once.
- **Next Track:** Press the multi-function button twice quickly.
- **Previous Track:** Press the multi-function button three times quickly.
- **Volume Control:** Use the dedicated volume up (+) and volume down (-) buttons on the remote.

4.2. Call Management

- **Answer/End Call:** Press the multi-function button once during an incoming call to answer, or once during a call to end.
- **Reject Call:** Press and hold the multi-function button for approximately 2 seconds during an incoming call.
- **Voice Control:** Press and hold the multi-function button to activate your device's voice assistant (e.g., Siri, Google Assistant).

5. MAINTENANCE AND CARE

To ensure the longevity and optimal performance of your earphones, follow these care guidelines:

- **Cleaning:** Gently wipe the ear tips and earphone body with a soft, dry cloth. Do not use harsh chemicals or abrasive materials.
- **Storage:** When not in use, store the earphones in a clean, dry place, away from extreme temperatures and direct sunlight. Avoid tangling the cable.
- **Avoid Moisture:** Do not expose the earphones to water or excessive moisture. They are not waterproof.
- **Handle with Care:** Avoid pulling the cable forcefully or bending the 3.5mm plug at sharp angles, as this can damage internal wiring.

6. TROUBLESHOOTING

If you encounter any issues with your earphones, please refer to the following common problems and solutions:

Problem	Possible Cause	Solution
No sound or distorted sound	Loose connection, incorrect volume, damaged cable, incompatible device.	Ensure the 3.5mm plug is fully inserted. Increase device volume. Test with another device. Inspect cable for damage.
Microphone not working	Loose connection, device settings, incompatible device.	Ensure the plug is fully inserted. Check your device's audio input settings. Test with another device.
Remote control not responding	Loose connection, device compatibility, software issue.	Ensure the plug is fully inserted. Some remote functions may not be fully supported by all devices. Restart your device.
Earphones fall out easily	Incorrect ear tip size, improper insertion.	Ensure ear tips are correctly positioned. Adjust the angle of insertion for a snug fit.

7. SPECIFICATIONS
