- 164 building pieces
- 1 full-color instruction booklet

Please verify that all pieces are present before starting assembly. If any parts are missing or damaged, please contact customer support.

4. ASSEMBLY INSTRUCTIONS

Follow the detailed, full-color instructions provided in the included instruction booklet. Each step is illustrated to guide you through the assembly process.

1. **Preparation:** Unpack all pieces and organize them by type or color to facilitate assembly.
2. **Step-by-Step Assembly:** Refer to the instruction booklet for sequential building steps. Ensure each piece is securely connected.
3. **Verification:** After completing assembly, check all connections to ensure the model is stable and

complete.

This image displays the fully assembled Sluban Army Mine Clearer, a black tracked vehicle with a robotic arm and an antenna. A minifigure, dressed in black with a gas mask and night vision goggles, is shown operating a remote control device next to the vehicle.

5. OPERATING INSTRUCTIONS

Once assembled, the Sluban Army Mine Clearer is ready for imaginative play. This model is a static display and play set, designed for manual interaction.

- **Movement:** The tracked wheels allow for manual movement across flat surfaces.
- **Robotic Arm:** The articulated robotic arm can be manually positioned to simulate mine-clearing operations.
- **Minifigure:** The included minifigure can be placed in various positions to interact with the vehicle.

6. MAINTENANCE

To ensure the longevity of your Sluban building set, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the model gently with a dry, soft cloth to remove dust. For stubborn dirt, use a slightly damp cloth and dry immediately. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration and material degradation.
- **Handling:** Handle the model with care to avoid accidental disassembly or damage to delicate parts.
