## Simpeak S20

# Simpeak Small USB Desk Fan S20 Instruction Manual

## INTRODUCTION

---

Thank you for choosing the Simpeak Small USB Desk Fan, Model S20. This compact and portable fan is designed to provide personal cooling with its three-speed settings and 360-degree adjustable swivel. It is powered solely by USB, making it ideal for use with computers, laptops, power banks, and other USB-enabled devices. This manual provides essential information for the safe and efficient operation, maintenance, and troubleshooting of your fan.

## SETUP

---

### Unpacking

Carefully remove the fan from its packaging. Ensure all components are present:

- Simpeak Small USB Desk Fan (Model S20)
- Integrated USB Power Cable (1.2 meters)

### Power Connection

The fan is USB-powered and does not contain an internal battery. To operate the fan, connect the integrated USB cable to a compatible 5V USB power source. This can include:

- Computer USB port
- Laptop USB port
- USB wall adapter (not included)
- Power bank or portable charger

**Power cord length: 120cm**

## OPERATING INSTRUCTIONS

### Power On/Off and Speed Adjustment

The fan features a single control button located on the back of the unit. Press the button to cycle through the three-speed settings and to turn the fan off:

1. **First Press:** Activates the fan at **Speed 1 (Low)**, providing a gentle, quiet breeze suitable for sleep or minimal air circulation.
2. **Second Press:** Increases the fan speed to **Speed 2 (Medium)**, offering a natural airflow for work or study environments.
3. **Third Press:** Engages **Speed 3 (High)**, delivering a strong airflow for maximum cooling.
4. **Fourth Press:** Turns the fan **Off**.

Video demonstrating the Simpeak USB fan's operation, including speed adjustments and 360-degree rotation.

### Adjusting Airflow Direction

The fan head can be manually rotated 360 degrees vertically to direct airflow precisely where needed. Gently pivot the fan head within its frame to achieve the desired angle.

## MAINTENANCE

---

### Cleaning

To ensure optimal performance and longevity of your fan, regular cleaning is recommended:

- Always disconnect the fan from the power source before cleaning.
- Use a soft, dry cloth to wipe down the exterior of the fan.
- For dust accumulation on the fan blades, use a soft brush or compressed air to gently remove debris.
- Do not use abrasive cleaners, solvents, or immerse the fan in water.

## TROUBLESHOOTING

---

If you encounter any issues with your Simpeak USB Desk Fan, please refer to the following common solutions:

Issue	Possible Cause	Solution
Fan does not turn on	No power supply or loose connection	Ensure the USB cable is securely connected to both the fan and a working 5V USB power source. Try a different USB port or power adapter.
Weak or no airflow	Low speed setting or obstructions	Press the control button to increase the speed setting. Check for any objects blocking the fan blades or air intake/outlet.
Unusual noise during operation	Obstruction or unstable placement	Disconnect power and carefully check for any foreign objects caught in the fan blades. Ensure the fan is placed on a stable, flat surface.

## SPECIFICATIONS

Feature	Detail
Brand	Simpeak
Model Name	S20
Color	Blue
Power Source	Corded Electric (USB Powered)
Voltage	5 Volts (DC)
Wattage	3 Watts
