iClever IC-BK10

iClever BK10 Bluetooth Keyboard User Manual

Model: IC-BK10 | Brand: iClever

INTRODUCTION

The iClever BK10 Bluetooth Keyboard is a versatile and ergonomically designed wireless keyboard with a number pad, offering multi-device compatibility and a stable connection. It supports various operating systems including Windows, macOS, iPadOS, Android, and ChromeOS. Its sleek design, low-profile keys, and energy-saving features make it an ideal choice for office, home, and study environments.

Key features include:

- Sleek & Wireless: Stainless steel & ABS construction with a 10-degree tilt for cluster-free desktop operation.
- Multi-Devices & Multi-OS: Seamlessly switches among 3 devices using Bluetooth 5.1 technology, automatically recognizing different operating systems.
- Responsive & Low-profile: Scissor key mechanism for enhanced feedback, stability, and comfortable, quiet, and precise typing.
- Compact & Efficient: Standard numeric keypad, hotkeys (Calculator, Fn lock, Mute, Volume up/down) to boost workflow.
- USB-C Rechargeable & Energy Saving: Rechargeable battery provides 45 days of use after 2 hours of charging, with auto-sleep after 30 minutes of inactivity.
- Includes a silicone cover for key protection.

SETUP

Charging the Keyboard

Before initial use, fully charge the keyboard using the provided USB-C cable. The rechargeable battery provides approximately 45 days of use after 2 hours of charging. A lightning bolt indicator light will show charging status.

ULTRA SLIM DESIGN

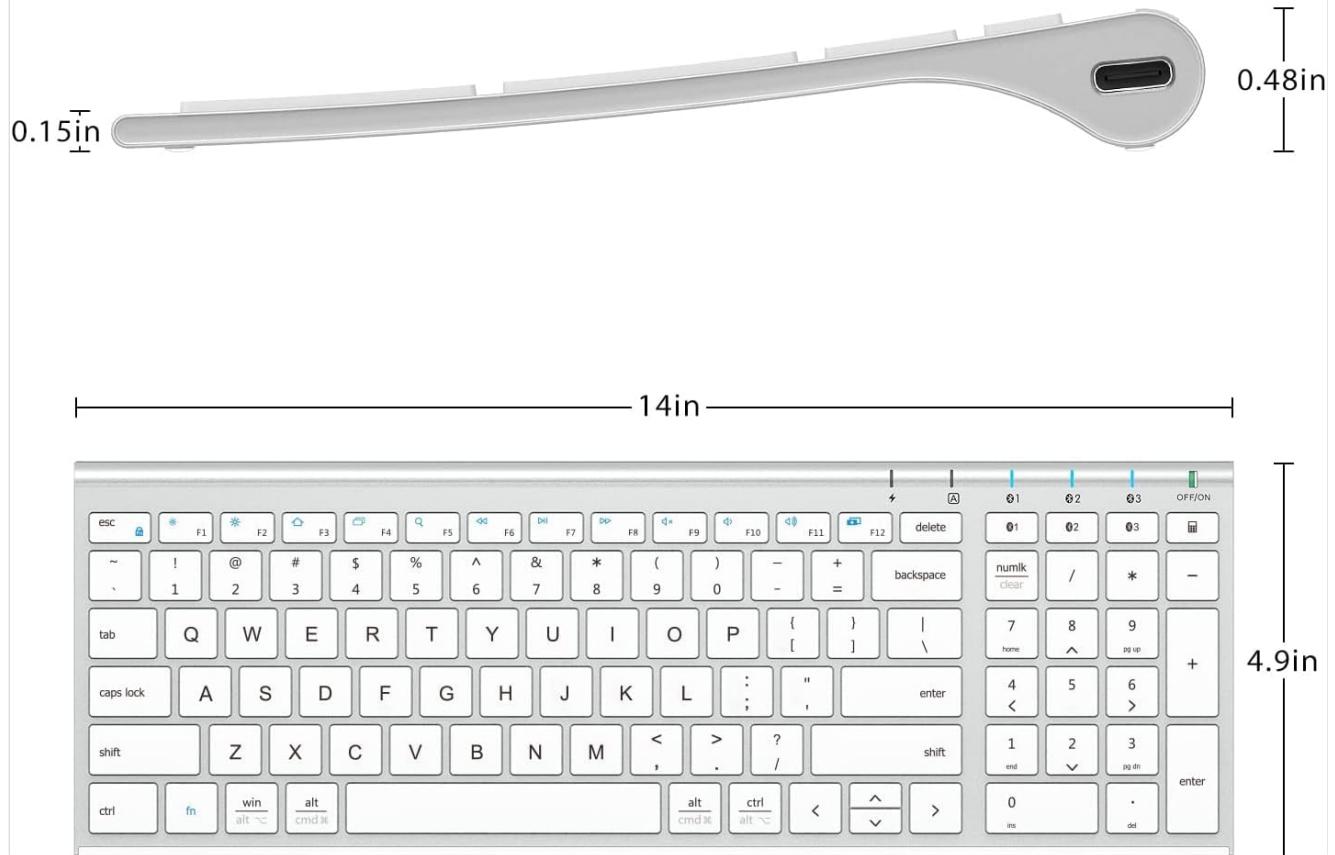

Image: The iClever BK10 keyboard with its ultra-slim profile and USB-C charging port visible on the right side. Dimensions are shown as 14 inches long, 4.9 inches wide, and 0.15 inches high at the front, with a thicker back edge for ergonomic tilt.

ENERGY SAVING AND ENVIRONMENTALLY FRIENDLY

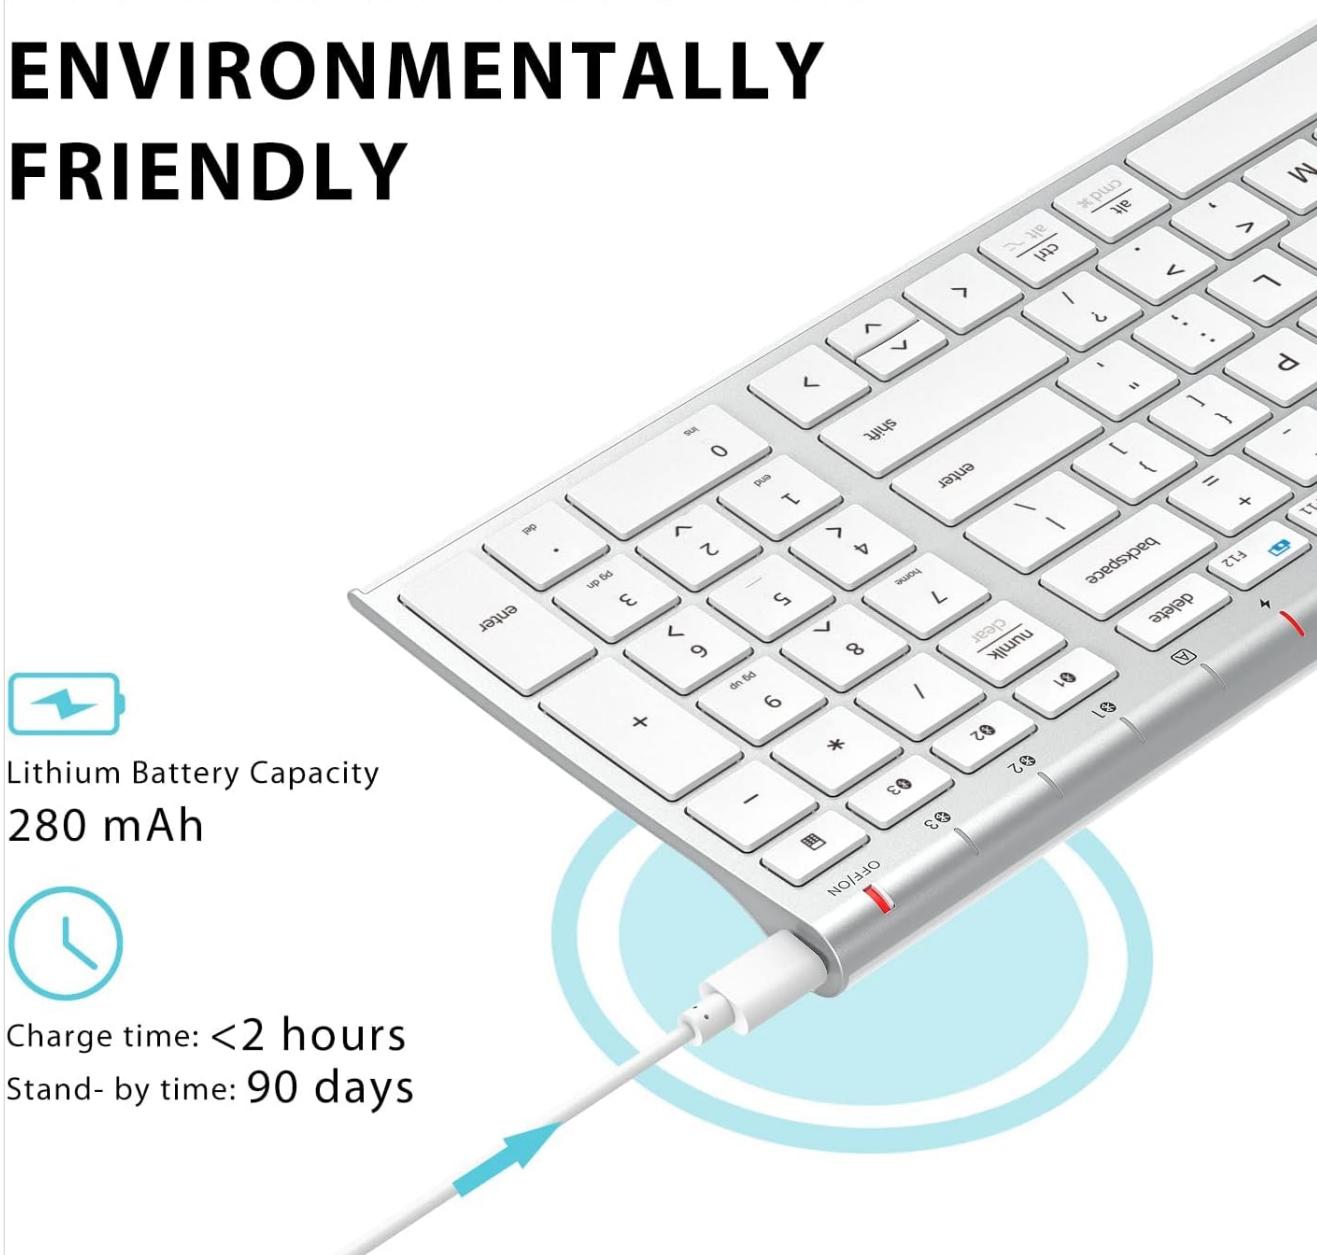

Image: A close-up of the iClever BK10 keyboard's USB-C port connected to a charging cable, illustrating its energy-saving features.

Text overlays indicate a lithium battery capacity of 280 mAh, charge time of less than 2 hours, and standby time of 90 days.

Bluetooth Pairing

The iClever BK10 keyboard can seamlessly switch between up to three devices using Bluetooth 5.1 technology. Follow these steps to pair your devices:

1. Turn on the keyboard using the ON/OFF switch located on the top right side.
2. Press and hold one of the Bluetooth channel keys (B1, B2, or B3) for 5 seconds until the corresponding blue indicator light starts blinking. This indicates the keyboard is in pairing mode.
3. On your device (computer, tablet, or smartphone), enable Bluetooth and search for available devices.
4. Select "iClever BK10" from the list of found devices. The device will automatically recognize the keyboard's layout based on its operating system.
5. Once connected, the blue indicator light will stop blinking and remain solid.
6. Repeat these steps for up to two additional devices using the other Bluetooth channel keys.

MULTI DEVICE BLUETOOTH KEYBOARD

Easy to setup and switch between 3 devices at a time

Image: The iClever BK10 keyboard shown in a multi-device setup, connecting to a laptop, iPad, and iPhone. The image highlights the three Bluetooth channel buttons (B1, B2, B3) on the keyboard, indicating easy switching between connected devices.

Image: The iClever BK10 keyboard positioned on a desk in front of a large monitor, with a laptop, tablet, and smartphone also visible. This setup demonstrates the keyboard's multi-device compatibility across different operating systems like iOS/macOS, Windows, and Android.

OPERATING INSTRUCTIONS

Typing Experience

The iClever BK10 features low-profile keys with a scissor key mechanism, providing a responsive and stable typing experience. The optimized key-travel and anti-slip tapes contribute to comfortable, quiet, and precise typing.

LOW PROFILE KEYS

Thanks to their low profile and scissor switch design, these keys guarantee quiet, comfortable typing

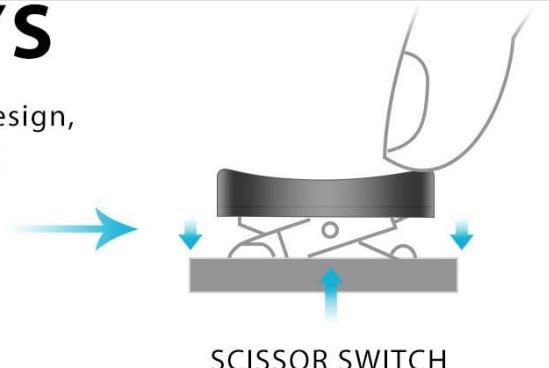

Image: A close-up view of the iClever BK10 keyboard's keys, emphasizing their low-profile design and the underlying scissor switch mechanism. This design ensures quiet and comfortable typing.

Function Keys and Numeric Keypad

The keyboard includes a standard numeric keypad and various hotkeys to enhance productivity. These include Calculator, Fn lock, Mute, and Volume up/down functions. Utilize these hotkeys to streamline your workflow.

STYLISH AND SOPHISTICATED

Image: A detailed side view of the iClever BK10 keyboard, showcasing its matte finished coating and best-in-class stainless steel base, contributing to its stylish and sophisticated appearance.

MAINTENANCE

Cleaning

The keyboard comes with an attached silicone cover for key protection. This cover can be easily removed and cleaned to maintain hygiene and prevent dust or spills from affecting the keys. For the keyboard itself, use a soft, dry cloth to wipe down surfaces. Avoid abrasive cleaners or excessive moisture.

Battery Care

To maximize battery life, the keyboard features a power-saving mode that puts it to sleep after 30 minutes of inactivity. Press any key to wake it up. Ensure regular charging using the provided USB-C cable to maintain optimal performance.

TROUBLESHOOTING

If you encounter any issues with your iClever BK10 keyboard, please refer to the official Troubleshooting Guide available in PDF format. Common issues and their solutions are detailed there.

- [Troubleshooting Guide \(PDF\)](#)

For general connectivity issues, ensure Bluetooth is enabled on your device and the keyboard is sufficiently charged. Re-pairing the device may resolve connection problems.

SPECIFICATIONS

Feature	Detail
Product Dimensions	9.72 x 5.91 x 0.24 inches (13.99" L x 4.9" W x 0.15" H)
Item Weight	13.1 ounces
Manufacturer	iClever
Item Model Number	IC-BK10
