Yaheetech Dog Playpen Instruction Manual

Model: YT-00093669-001 | Brand: Yaheetech

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Yaheetech 8-Panel 24-inch Dog Playpen. Designed for both indoor and outdoor use, this heavy-duty metal pet fence offers a secure and versatile enclosure for small to medium-sized pets, including puppies, toy poodles, corgis, rabbits, ducks, and bunnies. Please read all instructions carefully before setup and use to ensure the safety and well-being of your pet.

SETUP INSTRUCTIONS

The Yaheetech Dog Playpen is designed for quick and tool-free assembly. Follow these steps to set up your playpen:

1. **Unpack Components:** Carefully remove all panels and connecting rods from the packaging. Ensure all 8 panels (including one with a door) and the necessary connecting rods are present.

2. **Align Panels:** Stand two fence panels upright and align the holes on their vertical edges.

3. **Insert Connecting Rods:** Insert a connecting rod through the aligned holes of the two panels. Push the rod down firmly to secure the connection.

4. **Repeat for All Panels:** Continue connecting panels in this manner until all 8 panels are linked to form your desired shape (e.g., square, rectangle, octagon).

5. **Secure Shape:** For outdoor use, push the connecting rods further into the ground to enhance stability.

Image: Examples of various shapes that can be created with the playpen panels, including polygon, rectangle, and long rectangle configurations.

OPERATING INSTRUCTIONS

The playpen features a convenient door for easy access and an automatic locking latch for security.

- **Using the Door:** To open the door, lift the latch mechanism. To close, simply swing the door shut; the automatic latch will engage, securing the door.

- **Configuring Shapes:** The modular design allows you to arrange the panels into various shapes to suit your space and pet's needs. Common configurations include squares, rectangles, and octagons. You can also purchase additional sets to expand the playpen size.

- **Indoor/Outdoor Use:** The playpen is suitable for both indoor and outdoor environments. When used outdoors, the connecting rods can be pushed into the ground for added stability against movement.

Robust Thickened Frame for Improved Durability

The reinforced structure enhances stability and effectively prevents deformation or breakage from pet collisions

MAINTENANCE

Proper care will extend the life of your Yaheetech Dog Playpen.

- **Cleaning:** Wipe down the metal panels with a damp cloth and mild soap as needed. Avoid abrasive cleaners that could damage the finish. Rinse thoroughly and dry completely to prevent rust.
- **Storage:** When not in use, the playpen can be easily folded flat for compact storage. Disconnect the panels by pulling up the connecting rods, then fold them together. Store in a dry place to prevent corrosion.

Foldable and Portable Design 🧤
The detachable fence allows for easy transport and storage, saving space

TROUBLESHOOTING

Problem	Possible Cause	Solution
Playpen feels unstable or wobbly.	Connecting rods not fully inserted; uneven ground (outdoor use).	Ensure connecting rods are pushed all the way down. For outdoor use, select a level surface or push rods deeper into the soil.
Door latch is not engaging.	Obstruction in latch mechanism; door not aligned properly.	Check for any debris blocking the latch. Ensure the door is properly aligned with the frame when closing.
Panels are difficult to connect.	Holes not perfectly aligned; slight bending of connecting rod.	Ensure holes are precisely aligned before inserting the rod. Apply gentle pressure and slight rotation to the rod if needed.

SPECIFICATIONS

Feature	Detail
Model Name	Pet Playpen
Item Model Number	YT-00093669-001
Number of Panels	8
Panel Dimensions (W x H)	24.8" W x 24.8" H (approx.)
Overall Product Dimensions (L x W x H)	51.6" x 51.6" x 25" (Octagon configuration)
Item Weight	23.74 Pounds
Material	Metal
Color	Black
