Double Wood Supplements Tongkat Ali

Tongkat Ali Complex User Manual

Model: Tongkat Ali
Brand: Double Wood Supplements

PRODUCT OVERVIEW

The Double Wood Supplements Tongkat Ali Complex is a dietary supplement formulated to support men's health, exercise endurance, and weightlifting efforts. It contains a 200:1 extract of Eurycoma Longifolia (Longjack) and Tribulus Terrestris.

SETUP AND USAGE

This section provides instructions for the proper use of the Tongkat Ali Complex supplement.

Recommended Dosage

The recommended dose is approximately 500mg per day of the 200:1 Tongkat Ali extract. For maximum effect, up to 1,000mg can

be taken per day. Each serving consists of two capsules.

- **Serving Size:** 2 Capsules
- **Servings Per Container:** 60
- **Supply Duration:** Approximately two months per bottle.

Image: A broken capsule showing the powder inside, illustrating the "Full Potency Per Serving" of 1020mg and a 2-month supply.

Usage Instructions

Take 2 capsules per day. It can be taken in the morning or at night, with or without food. However, the chance of experiencing an upset stomach is reduced when taken with food.

OPERATING PRINCIPLES AND BENEFITS

The Tongkat Ali Complex is designed to provide several benefits related to men's health and physical performance.

- **Supports Exercise Endurance:** Both Tongkat Ali and Tribulus Terrestris have been shown to support exercise endurance, aiding in achieving optimal workout performance.
- **Men's Health Support:** Extracted from the Eurycoma Longifolia plant, the Longjack complex with Tribulus acts as a men's health supplement, particularly beneficial for older individuals.
- **Supports Weightlifting:** Tongkat Ali Complex contains compounds such as quassinoids, eurycomaosides, eurycolactones, and saponins, which may assist the body in energy utilization. This can support weightlifting activities, especially as one ages.
