

## Hermitshell Hard EVA Travel Case

# Hermitshell Hard EVA Travel Case User Manual

For ENACFIRE E20 Wireless Earbuds Bluetooth Headphones

## INTRODUCTION

---

This manual provides instructions for the proper use and care of your Hermitshell Hard EVA Travel Case. This case is specifically designed to provide protection for your ENACFIRE E20 Wireless Earbuds and their charging case.

## PRODUCT FEATURES

---

- **Durable Protection:** Constructed from hard EVA material to shield against bumps, dents, and scratches.
- **Custom Fit:** Designed to securely hold ENACFIRE E20 Wireless Earbuds and their charging case.
- **Internal Mesh Pocket:** Provides storage for small accessories like charging cables.
- **Compact and Portable:** Ideal for travel and daily storage.
- **Secure Closure:** Features a reliable zipper closure.

## SETUP AND USAGE

---

### 1. Opening the Case

Locate the two zipper pulls on the case. Gently pull them apart to open the case completely. The case is designed to open wide for easy access.

## 2. Inserting Your Earbuds

1. Ensure your ENACFIRE E20 Wireless Earbuds, along with their charging case, are clean and free of debris.
2. Carefully place the earbud charging case into the main compartment of the travel case. The interior is molded to fit the dimensions of the ENACFIRE E20 charging case.
3. Utilize the internal mesh pocket, located on the lid, for storing small accessories such as a USB charging cable or extra ear tips.

### **3. Closing the Case**

Once your earbuds and accessories are placed inside, bring the two halves of the case together. Hold the zipper pulls and smoothly zip the case closed. Ensure no items are obstructing the zipper path.

#### **4. Portability**

The case features a small D-ring on one side, allowing it to be attached to a carabiner or strap for convenient carrying. This enhances portability, making it easy to secure to a backpack or belt loop.

## MAINTENANCE

---

### Cleaning Instructions

- To clean the exterior of the case, wipe with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners.
- For the interior, use a dry, soft cloth or a lint roller to remove dust or small particles.
- Ensure the case is completely dry before storing any electronic devices inside.

## TROUBLESHOOTING

---

### Case Does Not Close Properly

- **Check for Obstructions:** Ensure no items are protruding from the case or caught in the zipper teeth.
- **Proper Placement:** Verify that the ENACFIRE E20 charging case is seated correctly in its designated compartment.
- **Overfilling:** Avoid overfilling the case, as this can prevent proper closure and potentially damage the zipper or contents.
