WHAT'S IN THE BOX

Ensure all items are present upon unboxing:

- Beetel BT Headphone SBT668
- Charging Cable (Micro USB)

SETUP

1. Charging the Headphones

Before first use, fully charge the headphones.

1. Connect the small end of the supplied Micro USB charging cable to the charging port on the headphone.
2. Connect the large end of the charging cable to a USB power source (e.g., computer USB port, USB wall adapter).
3. The LED indicator on the headphone will illuminate during charging and turn off or change color when fully

charged.

Note: A full charge takes approximately 2 hours. The built-in Li-polymer battery has a capacity of 250mAh.

2. Bluetooth Pairing

Pair your headphones with your Bluetooth-enabled device (smartphone, tablet, laptop).

1. Ensure the headphones are turned off.
2. Press and hold the multi-function button (usually the power button) on the headphone until the LED indicator flashes red and blue alternately. This indicates pairing mode.
3. On your device, go to Bluetooth settings and ensure Bluetooth is enabled.
4. Search for available devices. You should see "SBT668" or "Beetel SBT668" in the list.
5. Select "SBT668" to connect. Once connected, the LED indicator on the headphone will typically flash blue slowly or turn solid blue.

Note: The headphones support Bluetooth 5.0 for stable and efficient connection. The operating distance is approximately 10 meters (33 feet) in an open environment.

OPERATING INSTRUCTIONS

Power On/Off

- **Power On:** Press and hold the multi-function button for approximately 3 seconds until the LED indicator flashes blue.
- **Power Off:** Press and hold the multi-function button for approximately 3-5 seconds until the LED indicator flashes red and then turns off.

Music Playback

The headphones offer approximately 6 hours of playing time on a full charge at medium volume.

- **Play/Pause:** Short press the multi-function button.
- **Next Track:** Long press the '+' button (if available, or specific touch control).
- **Previous Track:** Long press the '-' button (if available, or specific touch control).
- **Volume Up:** Short press the '+' button.
- **Volume Down:** Short press the '-' button.

Note: The control method is touch-based. Refer to the specific touch areas on your headphone for precise control.

Hands-Free Calling

The headphones feature a built-in microphone for hands-free communication.

- **Answer Call:** Short press the multi-function button when a call comes in.
- **End Call:** Short press the multi-function button during a call.
- **Reject Call:** Long press the multi-function button when a call comes in.
- **Redial Last Number:** Double-press the multi-function button.

MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the headphones. Do not use abrasive cleaners or solvents.
- **Storage:** When not in use, store the headphones in a cool, dry place, away from direct sunlight and extreme temperatures. The headphones are foldable for compact storage.
- **Battery Care:** To preserve battery life, charge the headphones at least once every three months if not used regularly. Avoid fully discharging the battery frequently.
