Sluban M38-B0732

Sluban International Space Station Building Block Set M38-B0732 Instruction Manual

1. Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of the Sluban International Space Station Building Block Set, model M38-B0732. This set is designed to offer an engaging and educational building experience, fostering creativity and fine motor skills. Please read all instructions carefully before beginning assembly.

2. Safety Information

WARNING: CHOKING HAZARD - Small parts. Not for children under 3 years.

- Keep all packaging materials away from children to prevent suffocation.
- Ensure all small parts are kept out of reach of young children and pets.
- This product is made from non-toxic plastic materials.
- Adult supervision is recommended during assembly and play.

3. Package Contents

The Sluban International Space Station Building Block Set M38-B0732 includes:

- 511 multi-colored building blocks.
- Detailed instruction booklet for assembly.

Please verify that all pieces are present before starting assembly. If any pieces are missing, refer to the support section.

4. Setup and Assembly

Follow the step-by-step instructions provided in the included instruction booklet to assemble the International Space Station model. The assembly process is designed to be intuitive, but careful attention to detail will ensure a stable and accurate model.

4.1 General Assembly Tips

- Organize pieces by color and shape before starting.

- Refer to the instruction booklet for specific part identification and placement.
- Ensure pieces are firmly connected to prevent the model from falling apart.
- The set allows for combining modules without complete disassembly, as shown in the images.

Figure 4.2: Assembled model dimensions and 'combine without disassembling' feature.

Figure 4.3: The complete International Space Station assembly and individual module configurations.

Figure 4.4: Product packaging displaying the assembled model and key features.

5. Operating Instructions

Once assembled, the Sluban International Space Station model is ready for interactive play. This is a manual toy and does not require batteries or external power sources.

- The model can be displayed as a static piece or used for imaginative play.
- Individual modules can be detached and reattached to create different configurations, enhancing creative play.
- Handle the assembled model with care to avoid accidental disassembly.

6. Maintenance

Proper care will ensure the longevity of your building block set.

- **Cleaning:** To clean the blocks, wipe them with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners. Do not submerge the blocks in water for extended periods.
- **Storage:** Store the building blocks and assembled model in a cool, dry place away from direct sunlight and extreme temperatures. Keep them in a container to prevent loss of pieces.
- **Disassembly:** If disassembling the model for storage, do so gently to avoid damaging the connection points of the blocks.

7. Troubleshooting

7.1 Missing Pieces

If you discover any missing pieces during assembly, please contact Sluban customer support with details of the missing parts (refer to the part list in the instruction booklet).

7.2 Difficulty Connecting Blocks

Ensure that the blocks are aligned correctly before applying pressure. Some connections may require a firm push. If a block consistently fails to connect or appears warped, it may be defective. Contact customer support for assistance.

8. Specifications

Feature	Detail
Brand Name	Sluban
Model Number	M38-B0732
Collection Name	Sluban SPACE - INTERNATIONAL SPACE STATION
Materials	Plastic
Color	Multi-color
Number of Pieces	511
Item Dimensions (L x W x H)	68 x 43 x 49.5 cm
