## 2. PRODUCT FEATURES

- **Incredible Weight Capacity:** The heavy-duty metal frame combined with thick engineered wood particle board ensures exceptional stability and sturdiness, preventing wobble and collapse. The overall bearing capacity is rated at 400 lb.
- **Large Storage Solution:** Double hanging bars accommodate both long and short garments, with each garment rod holding up to 50 lb. Four smaller shelves and two larger shelves provide ample space for folded clothes, accessories, and shoes. The top surface offers additional storage for large boxes or off-season items.
- **Freestanding & Portable Design:** This storage organizer is ideal for optimizing space in cramped closets or adding instant storage to any room. Its freestanding design allows for easy relocation.
- **Multifunctional Use:** Its compact and versatile design makes it suitable for various locations such as laundry rooms, bedrooms, walk-in closets, kitchens, attics, basements, and garages.
- **Adjustable Leg Pads:** Equipped with adjustable leg pads to ensure stability on uneven floor surfaces.

### 3. SETUP AND ASSEMBLY INSTRUCTIONS

Assembly is required for this product. Please ensure all components are present and undamaged before beginning. An Allen wrench is typically included for assembly. For a visual guide, please refer to the official installation video below.

#### General Assembly Steps:

1. Unpack all components and verify against the parts list (if provided in packaging).
2. Assemble the main metal frames according to the diagrams, securing with screws.
3. Attach the engineered wood shelves to the designated frame sections.
4. Install the hanging rods into their respective positions.
5. Secure any cross-braces or stability bars to reinforce the structure.

6. Attach any additional accessories, such as hooks or drawers, if applicable.
7. Adjust the leg pads at the base to ensure the unit is level and stable on your floor.

## 4. OPERATING INSTRUCTIONS

---

To maximize the utility and lifespan of your Tribesigns Closet Organizer, follow these operating guidelines:

- **Hanging Garments:** Utilize the double hanging rods for shirts, dresses, jackets, and pants. Distribute weight evenly across the rods to maintain balance and prevent strain.
- **Shelf Storage:** Use the various shelves for folded clothing, shoes, handbags, and other accessories. Place heavier items on lower shelves to enhance stability.
- **Top Storage:** The top surface can be used for larger items, storage bins, or off-season clothing.
- **Accessory Hooks:** If equipped, use the side hooks for hanging bags, hats, or scarves.

## 5. MAINTENANCE

---

Regular maintenance will help preserve the appearance and functionality of your closet organizer:

- **Cleaning:** Wipe all surfaces with a soft, damp cloth. Avoid using abrasive cleaners or harsh chemicals, as they may damage the finish.
- **Fastener Check:** Periodically inspect all screws and connections to ensure they remain tight. Tighten any loose fasteners to maintain structural integrity.
- **Weight Limits:** Do not exceed the specified weight limits for the shelves (40 lb per shelf) and hanging rods (50 lb per rod) to prevent damage or collapse. The overall maximum load is 400 lb.
- **Leveling:** Re-adjust the adjustable leg pads as needed to ensure the unit remains level and stable, especially if moved.

## 6. TROUBLESHOOTING

---

If you encounter any issues with your Tribesigns Double Rod Free Standing Closet Organizer, please refer to the following common solutions:

- **Wobbling/Instability:**
  - a. Ensure all assembly screws are fully tightened.
  - b. Adjust the individual leg pads at the bottom of the frame to level the unit on uneven floor surfaces.
- **Missing Parts:**
  - a. Double-check all packaging materials to ensure no small parts were overlooked.
  - b. If parts are genuinely missing, contact Tribesigns customer service with your product model number and the specific part(s) needed.
- **Difficulty Assembling:**
  - a. Review the assembly instructions and the installation video carefully, paying close attention to the orientation of each component.
  - b. Do not overtighten screws until the entire unit is loosely assembled, then tighten all fasteners.
- **Damaged Components:**
  - a. If any component arrived damaged, please contact Tribesigns customer service for a replacement.
