PACKAGE CONTENTS

- Monster Bluetooth Audio Receiver
- 3.5mm AUX Cable
- Micro-USB Charging Cable

DEVICE LAYOUT

Image: A detailed diagram of the Monster Bluetooth Audio Receiver, indicating the Multi-Function Button (MFB), Microphone, Micro USB Port for Charging, 3.5mm Aux Port, LED Indicator, and On/Off Power Button.

Multi-Function Button (MFB): Used for play/pause, answer/hang up calls, redial, and voice assistant activation.

Microphone: Built-in for hands-free calling.

Micro USB Port: For charging the device.

3.5mm Aux Port: Connects to your audio system's AUX input.

LED Indicator: Displays device status (pairing, connected, charging).

On/Off Power Button: To power the device on or off.

SETUP GUIDE

1. Charging the Device

Before first use, fully charge the Bluetooth Audio Receiver. Connect the supplied Micro-USB charging cable to the receiver's Micro USB Port and the other end to a USB power source (e.g., car charger, wall adapter, computer USB port). The LED indicator will show charging status and turn off when fully charged.

2. Connecting to Your Audio System

Plug the 3.5mm AUX cable into the 3.5mm Aux Port on the receiver. Then, plug the other end of the 3.5mm AUX cable into the AUX input of your car stereo, home stereo, headphones, or speakers.

Image: The Monster Bluetooth Audio Receiver plugged into the AUX input of a car's dashboard, demonstrating a typical installation scenario.

3. Powering On/Off

- **To Power On:** Press and hold the On/Off Power Button until the LED indicator flashes. You will hear an audible prompt "Power On".
- **To Power Off:** Press and hold the On/Off Power Button until the LED indicator turns off. You will hear an

audible prompt "Power Off".

4. Bluetooth Pairing

1. Ensure the receiver is powered on and the LED indicator is flashing, indicating it is in pairing mode. You will hear "Ready to Pair".
2. On your smartphone or Bluetooth-enabled device, go to the Bluetooth settings.
3. Search for new devices and select "Monster BT Receiver" (or similar name) from the list.
4. Once connected, the LED indicator will stop flashing and remain solid, and you will hear "Bluetooth Connected".

OPERATING INSTRUCTIONS

Audio Playback

- **Play/Pause:** Press the Multi-Function Button (MFB) once.
- Control volume and track selection directly from your connected device.
