SETUP INSTRUCTIONS

1. **Unpack the Mobile Vet Clinic:** Carefully remove all components from the packaging. Ensure all listed items are present.
2. **Transform the Clinic:** The mobile vet clinic's exterior is designed to fold down and sideways. Gently unfold these sections to create the designated treatment areas for animals.

3. **Position Polly Doll:** Place the 3-inch Polly doll within the clinic or driving area as desired.
4. **Arrange Accessories:** Distribute the vet bag, stethoscope, pet carrier, bottle, brush, and shower accessory in the clinic's treatment areas. Place the pet figures, pet bowls, chairs, table, backpack, binoculars, sandwiches, and drinks as part of your play setup.

OPERATING INSTRUCTIONS

The Polly Pocket Cuddle 'n' Care Mobile Vet offers various interactive play opportunities:

- **Mobile Vet Vehicle Transformation:** The vehicle can be easily transformed from a compact mobile unit to an expanded vet clinic. Fold out the side and rear panels to access the examination and care areas.
- **Animal Treatment:** Use the included vet tools such as the stethoscope, vet bag, and brush to simulate examining and caring for the pet figures. The shower accessory can be used for pretend bathing.
- **Pet Care Areas:** Utilize the various sections of the clinic for different pet care activities. For example, place a pet in the designated examination area or the small tub for a bath.
- **Role-Playing Scenarios:** Engage in imaginative play by having Polly doll drive the vehicle to different locations to help animals. Use the chairs, table, and food accessories for break times or consultations.

MAINTENANCE

To ensure the longevity and cleanliness of your Polly Pocket Cuddle 'n' Care Mobile Vet playset, follow these maintenance guidelines:

- **Cleaning:** Wipe down all plastic components with a soft, damp cloth. For stubborn dirt, a mild soap solution can be used, followed by rinsing with a clean, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Drying:** Ensure all parts are thoroughly dry before storing to prevent moisture damage.
- **Storage:** Store the playset in a clean, dry environment away from direct sunlight and extreme temperatures.
- **Inspection:** Periodically inspect all parts for any signs of wear or damage.

TROUBLESHOOTING

If you encounter any issues with your Polly Pocket Cuddle 'n' Care Mobile Vet playset, consider the following:

- **Missing Pieces:** Refer to the 'What's Included' section and the product packaging to verify all

components. If a piece is missing upon initial unboxing, contact customer support.

- **Difficulty with Transformation:** Ensure that all panels are aligned correctly before attempting to fold or unfold the clinic sections. Do not force parts if they resist movement.
- **Damaged Parts:** If any part of the playset becomes damaged, discontinue use of the damaged component and contact customer support for assistance.
