7. Cleaning and Maintenance

Proper cleaning and maintenance will ensure the longevity and hygiene of your device.

- Always turn off the device completely before cleaning.
- Clean the device thoroughly after each use with warm water and a mild, toy-safe cleanser.
- Rinse the device well and pat dry with a lint-free cloth.
- Do not use cleaners containing alcohol, petroleum, or acetone, as these can damage the silicone material.
- The device is waterproof for cleaning purposes only when the e-stimulation function is not activated. Avoid submerging the device in water while e-stimulation is active.

8. Storage

Store your Impulse Intimate Petite G Wand in a clean, dry, and dust-free environment, away from direct sunlight and extreme temperatures. Keep it separate from other toys made of different materials to prevent potential damage or reactions.

9. Troubleshooting

If you encounter any issues with your device, please refer to the following common solutions:

- **Device not turning on:** Ensure the device is fully charged. Press and hold the power button for 3 seconds.
- **Vibrations not working:** Ensure the device is powered on. Press and hold the middle button for 3 seconds to activate vibrations.
- **E-stimulation not working:** Ensure the device is powered on. Press and hold the top button for 3 seconds to activate e-stimulation.
