Yaheetech 62.5-inch Cat Tree Instruction Manual

Brand: Yaheetech | Model: YT-00093714-62.2

INTRODUCTION

Thank you for choosing the Yaheetech 62.5-inch Cat Tree. This multi-tiered cat tower is designed to provide a stimulating and comfortable environment for your feline companions. It features various levels, cozy hideaways, and durable scratching surfaces to satisfy your cat's natural instincts for climbing, playing, and resting. Please read this manual carefully before assembly and use to ensure proper setup and long-lasting enjoyment for your pets.

KEY FEATURES

- **Sweet & Cozy Perches:** Two top perches with unique cat-ear-shaped edges provide ideal spots for relaxation and observation.
- **Fluffy Condos & Hammock:** Includes two soft condos and a comfortable hammock, offering secure and cozy hideaways for cautious cats.
- **Activity Center:** Five sisal scratching posts at varying heights encourage healthy scratching habits, protecting your furniture.
- **Interactive Play:** Two interactive bungee cords with jingly balls and sisal twine keep cats engaged and entertained.
- **Carefully Selected Materials:** Constructed with CARB P2-compliant particle board, natural sisal, and soft, pet-friendly plush fabric for safety and comfort.
- **Strong & Stable Design:** Features a robust 24" L x 19.5" W baseboard and sturdy posts for reliable support. A safety strap is included for wall attachment to enhance stability during active play.

- **Multi-Cat Friendly:** This multi-tiered tower expands vertical activity space, making it suitable for households with multiple cats.

Cat Ear-Shaped Perch

SETUP AND ASSEMBLY

Assembly of the Yaheetech Cat Tree is required but designed to be straightforward. The accompanying instructions will guide you through each step of the installation process. Ensure all components are present before beginning assembly.

For enhanced stability, especially with active or larger cats, a safety strap is included. This strap allows you to securely attach the cat tree to a wall, preventing accidental tipping during vigorous play or climbing.

For Every Safe Playing and Jumping

A wall anchor strap ensures
stability even for large cats

OPERATING INSTRUCTIONS

The Yaheetech Cat Tree is designed for intuitive use by your cats. No complex operations are required. Cats will naturally explore and utilize the various features:

- **Climbing & Exploring:** Cats can climb between the different levels using the sturdy posts and platforms. The multi-tiered design encourages vertical movement and exploration.
- **Scratching:** The sisal-wrapped posts are intended for scratching. Encourage your cat to use these posts to maintain claw health and protect your furniture.
- **Resting & Hiding:** The soft perches, enclosed condos, and hammock provide comfortable spots for napping, observing, or seeking privacy.
- **Playing:** The dangling balls offer interactive play opportunities. Cats can bat, pounce, and play with these toys for entertainment.

MAINTENANCE

To ensure the longevity and hygiene of your Yaheetech Cat Tree, please follow these maintenance guidelines:

- **Indoor Use Only:** This cat tree is designed for indoor use. Do not expose it to outdoor elements, as this can damage the materials and compromise its stability.
- **Regular Cleaning:** Periodically vacuum the plush surfaces to remove loose fur and dust. For minor spills or stains, spot clean with a damp cloth and mild detergent, then air dry. Avoid saturating the material.
- **Inspect for Wear:** Regularly check the sisal scratching posts for significant wear. While durable, heavy use may eventually require replacement of the sisal rope to maintain effective scratching surfaces.
- **Check Connections:** Ensure all screws and connections remain tight. Re-tighten if any wobbling is detected to maintain structural integrity.

TROUBLESHOOTING

If you encounter any issues with your Yaheetech Cat Tree, consider the following common solutions:

- **Wobbling/Instability:** Ensure all screws are securely tightened. If the tree still wobbles, verify it is placed on a flat, level surface. Utilize the included wall anchor strap to secure the tree to a wall for maximum stability.
- **Cats Not Using Scratching Posts:** Try rubbing catnip on the sisal posts to attract your cat. Gently guide your cat's paws to the posts to demonstrate their purpose.
- **Dangling Toys Detached:** The dangling balls are designed to be replaceable and removable. If they detach, reattach them securely. If damaged, consider replacing them with similar cat-safe toys.
- **Material Wear:** Over time, plush fabric may show wear, and sisal rope may fray. This is normal with regular use. Continue regular cleaning to prolong the material's life.

PRODUCT SPECIFICATIONS

| Attribute | Detail |
|----------------------------|-------------------------------------|
| Brand Name | Yaheetech |
| Model Name | YT-00093714-62.5 |
