MAINTENANCE

Proper care will ensure the longevity and appearance of your Devoko patio furniture set.

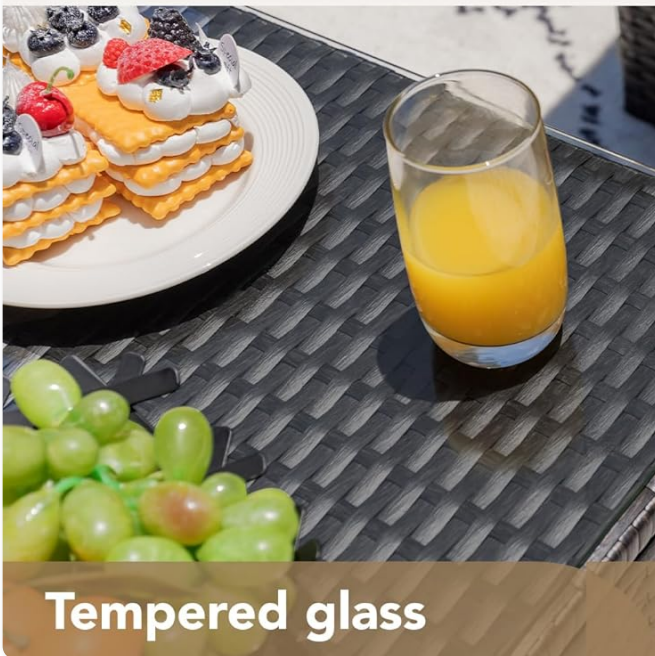

- **Cleaning:** Wipe the furniture with a dry cloth to keep it clean and prevent dirt or debris accumulation.
- **Cushion Care:** The cushions are water-resistant, but it is advisable to take them inside or use a cover for longer service time, especially during prolonged periods of non-use or adverse weather conditions.
- **Weather Protection:** Keep the product away from extreme temperatures and direct sunlight to prolong its lifespan and prevent fading of the cushions and wicker.
- **Component Check:** Periodically check that all components are correctly assembled and stable for safe use.

TROUBLESHOOTING

Here are some common issues and solutions for your patio furniture set:

Issue	Possible Cause / Solution
Cushions fading or wearing thin	This can occur over time, especially if left exposed to harsh weather. Ensure cushions are stored indoors or covered when not in use. Consider investing in higher-quality replacement cushions if desired.
Assembly difficulties / Pieces not aligning	Carefully follow the assembly instructions provided. Ensure all components are correctly oriented before tightening screws. If parts are missing, contact customer support.

Issue	Possible Cause / Solution
Cushions sliding or moving	The cushions are designed with ties to secure them to the frame. Ensure these ties are properly fastened to prevent movement.
