## Bewinner MC-818

# Bewinner MC-818 82 Keys USB Wired Keyboard with Built-in Touchpad User Manual

Model: MC-818 | Brand: Bewinner

## 1. INTRODUCTION

This manual provides detailed instructions for the proper setup, operation, and maintenance of your Bewinner MC-818 82 Keys USB Wired Keyboard with Built-in Touchpad. Please read this manual thoroughly before using the product to ensure optimal performance and longevity.

## 2. PRODUCT OVERVIEW

The Bewinner MC-818 is a compact 82-key USB wired keyboard designed for efficiency and portability. It features an integrated touchpad, eliminating the need for a separate mouse, and a scissor-foot mechanical structure for a comfortable typing experience. The keyboard also includes a USB HUB port for convenient data transfer.

### 3. SAFETY INFORMATION

#### Warning: Important Safety Instructions

Do not attempt to disassemble, modify, or repair the product yourself to avoid personal injury or equipment damage. Unauthorized modifications can void your warranty.

**1 Warning**

Do not attempt to disassemble, modify or repair the product yourself to avoid personal injury or equipment damage.

**2 Warnung**

Versuchen Sie nicht, das Produkt selbst zu zerlegen, zu modifizieren oder zu reparieren, da dies zu Verletzungen oder Geräteschäden führen kann.

**3 Avertissement**

N'essayez pas de démonter, de modifier ou de réparer le produit vous-même, car vous risqueriez de vous blesser ou d'endommager l'équipement.

**4 Advertencia**

No intente desmontar, modificar o reparar el producto usted mismo para evitar lesiones personales o daños en el equipo.

**5 Ostrzeżenie**

Nie próbuj rozkładać, modyfikować ani naprawiać produktu samodzielnie, aby uniknąć urazu osobistego lub uszkodzenia sprzętu.

**6 Waarschuwing**

Probeer het product niet zelf te demonteren, aan te passen of te repareren, want dit kan leiden tot letsel of schade aan het apparaat.

**7 Varning**

Försök inte att demontera, modifiera eller reparera produkten själv, eftersom det kan leda till personskador eller skador på apparaten.

**8 Attenzione**

Non tentare di smontare, modificare o riparare autonomamente il prodotto per evitare lesioni personali o danni all'apparecchiatura.

**9 Uyarı**

Kendiniz ürünü sökmeye, değiştirmeye veya tamir etmeye kalkışmayın, kişisel yaralanma veya ekipman hasarı oluşabilir.

## 4. SETUP INSTRUCTIONS

- 1. Unpack the Keyboard:** Carefully remove the keyboard from its packaging. Ensure all components, including the USB cable, are present.
- 2. Connect to Your Device:** Locate an available USB port on your computer (desktop or laptop). Insert the USB-A connector of the keyboard's cable into the USB port.
- 3. Plug & Play:** The Bewinner MC-818 keyboard is designed for plug-and-play functionality. Your operating system should automatically detect and install the necessary drivers. No additional software installation is typically required.
- 4. Placement:** Place the keyboard on a stable, flat surface. The integrated anti-slip mats on the underside help prevent movement during use.

## 5. OPERATING INSTRUCTIONS

### 5.1 Keyboard Functions

- **Standard Typing:** Use the alphanumeric keys for text input.
- **Function Keys (F1-F12):** These keys perform various system functions, often in combination with the **Fn** key. Refer to your operating system's documentation for specific shortcuts.
- **Special Keys:** Keys like **Esc**, **Tab**, **Caps Lock**, **Shift**, **Ctrl**, **Alt**, **Enter**, and **Back Space** operate as standard.
- **Navigation Keys:** **Home**, **End**, **PgUp**, **PgDn**, and arrow keys are available for document and web navigation.

## 5.2 Touchpad Usage

The integrated touchpad allows for precise cursor control without an external mouse.

- **Move Cursor:** Slide your finger across the touchpad surface to move the cursor on the screen.
- **Left Click:** Press the left button below the touchpad or tap once on the touchpad surface.
- **Right Click:** Press the right button below the touchpad or tap with two fingers on the touchpad surface (if supported by your OS settings).
- **Scrolling:** Use two fingers to scroll vertically or horizontally on the touchpad (if supported by your OS settings).

Video 5.1: This video highlights various aspects of the Bewinner 82 Keys USB Wired Keyboard, including its compact design and integrated touchpad, demonstrating its functionality.

## 6. MAINTENANCE

- **Cleaning:** To clean the keyboard, disconnect it from your computer. Use a soft, lint-free cloth slightly dampened with water or a mild cleaning solution. Avoid excessive moisture.
- **Dust Removal:** Use compressed air to remove dust and debris from between the keys.
- **Avoid Liquids:** Do not spill liquids on the keyboard. If a spill occurs, immediately disconnect the keyboard and allow it to dry completely before reconnecting.
- **Storage:** Store the keyboard in a cool, dry place away from direct sunlight and extreme temperatures.

## 7. TROUBLESHOOTING

| Problem                                   | Possible Cause                                           | Solution                                                                                                                                                                                                                                                                                                                                                    |
|-------------------------------------------|----------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Keyboard is not responding.               | Loose USB connection, faulty USB port, driver issue.     | <ul style="list-style-type: none"><li>◦ Ensure the USB cable is securely plugged into both the keyboard and the computer.</li><li>◦ Try connecting the keyboard to a different USB port on your computer.</li><li>◦ Restart your computer.</li><li>◦ Check your operating system's device manager for any keyboard-related errors.</li></ul>                |
| Touchpad is not working or is inaccurate. | Software settings, dirty touchpad surface, driver issue. | <ul style="list-style-type: none"><li>◦ Ensure the touchpad surface is clean and free of debris.</li><li>◦ Check your operating system's touchpad settings (e.g., sensitivity, gestures).</li><li>◦ Restart your computer.</li><li>◦ If the issue persists, try updating or reinstalling the touchpad drivers via your computer's device manager.</li></ul> |
| Keys are sticking or unresponsive.        | Debris under keys, physical damage.                      | <ul style="list-style-type: none"><li>◦ Use compressed air to clear any debris from under the keys.</li><li>◦ Gently clean the keycaps with a soft, damp cloth.</li><li>◦ If physical damage is suspected, contact customer support.</li></ul>                                                                                                              |
