Cloud b CB7323-T2P

Cloud b Twinkling Twilight Turtle Star Projector Nightlight Instruction Manual

Model: CB7323-T2P

Brand: Cloud b

INTRODUCTION

The Cloud b Twinkling Twilight Turtle is designed to create a calming and enchanting environment, helping children relax and fall asleep. This nightlight projects a starry sky onto bedroom walls and ceilings, offering various light and sound options to soothe and comfort.

Twinkling Twilight Turtle™

Eases fear of the dark - designed to create a magical, soothing environment that helps children fall asleep peacefully. Make the bedtime routine pleasant and comforting with the Cloud B Twinkling Twilight Turtle.

PRODUCT FEATURES

- Adjustable Volume:** Control the sound level to suit your child's preference.
- Automatic Shut-off:** The nightlight automatically turns off after 45 minutes to conserve battery life and ensure a completely dark sleep environment.
- Star Projection:** Projects a twinkling star effect, along with two other engaging light effects.
- Color Options:** Features three static color projections: amber, blue, and green.
- Constellation Display:** When projecting a single color, the nightlight displays 8 recognizable constellations.

SETUP

Battery Installation

1. Locate the battery compartment on the underside of the plush turtle. It is typically secured with a Velcro closure.
2. Open the Velcro closure to access the battery pack.
3. Using a small Phillips head screwdriver, unscrew the battery compartment cover.
4. Insert 3 AA alkaline batteries (not included), ensuring correct polarity (+/-).
5. Replace the battery compartment cover and secure it with the screw.
6. Close the Velcro flap.

Note: Always use new batteries and dispose of old batteries responsibly. Do not mix old and new batteries or different types of batteries.

OPERATING INSTRUCTIONS

The control buttons are located on the turtle's shell.

1. **Power On/Off:** Press the On/Off button (usually marked with a power symbol) once to turn the nightlight on. Press again to turn it off.
2. **Change Melodies:** Press the music note button (usually marked with a music note) to cycle through the available melodies (e.g., Dolphin Dream, Moonlight).
3. **Auto Cycle Colors:** Press the color cycle button (often marked with a star or color changing icon) three times to activate the automatic color cycling feature.
4. **Static Colors:** To select a static color (amber, blue, or green), press the color button until your desired color is displayed.
5. **Volume Adjustment:** Adjust the volume using the dial or buttons located near the battery compartment

(refer to the specific model for exact location).

CARE AND MAINTENANCE

- **Cleaning:** Wipe the plastic shell with a soft, damp cloth. Do not immerse the product in water. The plush body can be spot cleaned with a mild detergent.
- **Battery Care:** Remove batteries if the product is not going to be used for an extended period.
- **Storage:** Store in a cool, dry place away from direct sunlight.

TROUBLESHOOTING

- **No Power/Lights:** Ensure batteries are correctly installed and are not depleted. Replace with new batteries if necessary. Check the On/Off switch.
- **Dim Projection:** Replace batteries with new ones. Ensure the room is sufficiently dark for optimal projection.
- **No Sound:** Check battery levels. Ensure the volume is not set to minimum.

SPECIFICATIONS

Model Number	CB7323-T2P
Product Dimensions	8.75 x 8.75 x 11.5 inches
Item Weight	1.32 pounds
Material Type	Plush
Power Source	Battery Powered
Batteries Required	3 AA Alkaline batteries
