PRODUCT FEATURES

The FEISEDY B2510 sunglasses are designed with both style and functionality in mind. Key features include:

- **Retro Square Pilot Design:** Features a distinctive retro square pilot design, crafted from a solid fine-tuning alloy for both aesthetic appeal and structural integrity.
- **UV400 Protection:** Equipped with advanced anti-glare lenses that block 100% of both UVA and UVB radiation. This is crucial for filtering out sunlight reflected glare and protecting your eyes against long-term UV damage during outdoor activities.
- **High-Quality Materials:** Constructed with durable metal material and reinforced metal hinges, ensuring the sunglasses are robust enough for extended use.
- **Comfortable Fit:** Designed with comfortable nose pads for extended wear.
- **Versatile Application:** Ideal for various outdoor activities such as cycling, driving, shopping, traveling, and hiking. They also serve as a stylish fashion accessory for daily wear throughout the year.

SETUP AND UNBOXING

Upon receiving your FEISEDY B2510 sunglasses, please follow these steps:

1. **Unpack:** Carefully remove the sunglasses and all accessories from the packaging.
2. **Inspect:** Check the sunglasses for any visible damage or manufacturing defects. Ensure the lenses are clean and the frame is intact.
3. **Familiarize:** Identify the included accessories, which typically include a protective case and a cleaning cloth.

OPERATING INSTRUCTIONS

Using your FEISEDY B2510 sunglasses is straightforward:

- **Wearing:** Gently place the sunglasses on your face, ensuring the nose pads rest comfortably on your nose bridge and the temples sit securely behind your ears.
- **UV Protection:** The UV400 lenses provide full protection against harmful UVA and UVB rays, making them suitable for bright sunny conditions.
- **Night Vision (Yellow Lens Variant):** For models with yellow lenses, these are designed to enhance contrast and reduce glare in low-light conditions such as night driving or foggy weather. They help brighten up the road surface and strengthen visibility.

MAINTENANCE

Proper care will extend the life and maintain the appearance of your sunglasses:

- **Cleaning:** Always clean your sunglasses with the provided soft cleaning cloth. For stubborn smudges, use a mild soap solution and rinse with clean water, then dry immediately with the soft cloth. Avoid using abrasive cleaners or paper towels, which can scratch the lenses.
- **Storage:** When not in use, store your sunglasses in the protective case to prevent scratches and damage.
- **Avoid Extreme Conditions:** Do not expose your sunglasses to extreme heat (e.g., leaving them on a car dashboard in direct sunlight) or cold, as this can damage the frame and lens coatings.

PRODUCT SPECIFICATIONS

Detailed specifications for the FEISEDY B2510 sunglasses:

TROUBLESHOOTING

If you encounter any issues with your sunglasses, consider the following common solutions:

- **Loose Screws:** If the hinges feel loose, gently tighten the small screws on the hinges using a suitable small screwdriver. Avoid overtightening.
- **Smudged Lenses:** Refer to the 'Maintenance' section for proper cleaning instructions. Ensure you

are using the provided soft cloth.

- **Discomfort:** If the sunglasses feel uncomfortable, minor adjustments to the nose pads can sometimes improve the fit. If discomfort persists, professional adjustment by an optician may be necessary.
- **Scratched Lenses:** Unfortunately, lens scratches are generally permanent. Always store your sunglasses in their protective case to prevent scratches.

WARRANTY AND SUPPORT

FEISEDY products are designed for quality and durability. Your FEISEDY B2510 sunglasses come with a lifetime warranty and a 100% satisfaction guarantee, reflecting our commitment to quality.

For any questions, concerns, or support needs regarding your sunglasses, please contact FEISEDY customer service through the retailer where the product was purchased. Please retain your proof of purchase for warranty claims.
