USAGE INSTRUCTIONS

To achieve optimal comfort and shaping, step into the brief and gently pull it up, ensuring the garment is evenly distributed over your body. The high-rise design should sit comfortably at your natural waistline. Adjust the brief as needed to ensure the tummy panel is positioned correctly for firm control and smoothing.

BENEFITS AND FEATURES

- **Firm Control:** Provides targeted shaping for the tummy area.

- **Tummy Panel:** Features a matte jacquard mesh panel for enhanced control and a stylish look.
- **Smoothing Effect:** Designed to smooth and support the midsection.
- **Comfortable Fit:** Offers support without causing pinching or discomfort.
- **Reduced Binding:** The smooth, tightly-woven fabric helps reduce binding under outer garments.

CARE AND MAINTENANCE

Proper care ensures the longevity and performance of your shapewear. Follow these instructions:

- **Washing:** Machine wash cold with like colors.
- **Drying:** Tumble dry low or hang to dry. Do not bleach or iron.
- **Fabric Composition:** Made from a blend of Nylon and Spandex, with a Cotton liner.

SIZING AND FIT RECOMMENDATIONS

For the most comfortable and effective fit, it is often recommended to consider ordering one size up from your usual pants size. This garment is designed to provide gentle, supportive control rather than a constricting feel. Refer to the official Bali size guide for detailed measurements to ensure the best fit for your body type.
