CHARMAID GT-GE-65991US-WH

CHARMAID Vanity Set with Lighted Mirror and Cushioned Stool

Model: GT-GE-65991US-WH

INTRODUCTION

This manual provides essential information for the assembly, operation, maintenance, and safety of your new CHARMAID Vanity Set. Please read these instructions carefully before use and retain them for future reference. The CHARMAID Vanity Set features a modern design with a circular mirror equipped with LED lighting, offering three adjustable light modes. It includes a spacious tabletop, four sliding drawers for organized storage, and a comfortable cushioned stool. Constructed with durable MDF and solid beech wood legs, this vanity set is designed for stability and long-term use.

SAFETY INFORMATION

WARNING: Failure to follow these safety guidelines may result in injury or damage to the product.

- **Weight Limits:** Adhere to the specified weight capacities. The desktop supports up to 88 lbs, each drawer up to 17.5 lbs, and the stool up to 250 lbs. Exceeding these limits can cause instability and damage.
- **Stability:** Ensure the vanity set is placed on a flat, stable surface to prevent tipping.
- **Water Sources:** Keep the vanity set away from water sources to prevent electrical hazards and material damage.
- **Unplug When Not in Use:** Always unplug the lighted mirror when not in use or during cleaning to prevent electrical accidents.
- **Sharp Edges:** Exercise caution around edges during assembly and use.
- **Ventilation:** Ensure adequate ventilation around electrical components.
- **Children and Pets:** Keep small children and pets away from the product during assembly and ensure all small parts are securely stored.

PACKAGE CONTENTS

Verify that all components are present before beginning assembly:

- 1 x LED Round Mirror Dressing Table
- 1 x Stool
- Assembly Hardware (screws, tools, etc. - *specifics may vary, refer to included hardware bag*)
- Instruction Manual

SETUP INSTRUCTIONS

Assembly is required for the vanity set. Follow the steps below carefully. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out and compare them with the package contents list to ensure nothing is missing or damaged.
2. **Attach Table Legs:** Securely attach the four solid beech wood legs to the underside of the dressing table using the provided hardware. Ensure all screws are tightened firmly.
3. **Assemble Stool:** Attach the four solid beech wood legs to the cushioned stool using the provided hardware. Verify stability.
4. **Position Mirror:** Place the LED round mirror onto the designated area on the dressing table. Secure it using the provided screws or fasteners as per the detailed instructions in the included assembly guide. *Note: Some users have reported missing pre-drilled holes for mirror attachment. If this occurs, contact customer support for assistance. Do not attempt to drill holes if you are unsure, as this may damage the product.*
5. **Insert Drawers:** Slide the four drawers into their respective slots. Ensure they operate smoothly.
6. **Connect Power:** Plug the power cord for the LED mirror into a suitable electrical outlet.

OPERATING INSTRUCTIONS

Lighted Mirror Operation

The circular mirror features integrated LED lighting with touch screen controls.

- **Power On/Off:** Gently touch the sensor switch located on the mirror surface to turn the LED lights on or off.
- **Change Light Modes:** With the lights on, touch the sensor switch repeatedly to cycle through the three available light modes: Natural Light, Warm Light, and Cold Light.
- **Dimming Function:** To adjust brightness, press and hold the sensor switch. The light intensity will gradually

increase or decrease. Release when the desired brightness is achieved.

The touch switch is designed to be safe for operation even with wet hands.

3 Color Lighting Modes Touch Screen Dimming

• Warm White

• Warm yellow

• Cool White

Drawer Usage and Storage

The vanity set includes four drawers for organizing cosmetics and accessories.

- **Large Drawers:** The two larger drawers provide ample space for larger items. One large drawer includes extra compartments that can be partitioned for jewelry storage, such as earrings, bangles, rings, watches, and necklaces.
- **Small Drawers:** The two smaller drawers on the desktop are suitable for frequently used items like lipsticks or sunglasses.
- **Ring Handles:** The golden ring handles facilitate easy opening and closing of all drawers.

MAINTENANCE

- **Cleaning the Surface:** Wipe the MDF surface of the dressing table with a dry, soft cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Cleaning the Mirror:** Use a glass cleaner and a soft, lint-free cloth to clean the mirror. Spray cleaner onto the cloth, not directly onto the mirror, to prevent liquid from seeping into the electrical components.
- **Stool Care:** The cushioned stool can be spot cleaned with a mild fabric cleaner if necessary.
- **Regular Checks:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary to maintain stability.

TROUBLESHOOTING

Problem	Possible Cause	Solution
LED mirror lights do not turn on.	Power cord not properly plugged in; power outlet malfunction; sensor switch issue.	Ensure the power cord is securely plugged into a working outlet. Test the outlet with another device. Gently touch the sensor switch. If the issue persists, contact customer support.
Mirror leans forward or is unstable.	Mirror not properly attached to the vanity base; missing or misaligned screw holes.	Review assembly instructions for mirror attachment. Ensure all fasteners are correctly installed and tightened. If pre-drilled holes are missing or misaligned, contact customer support for guidance.
Stool is wobbly or unstable.	Legs not securely tightened; uneven floor surface.	Check and tighten all screws connecting the stool legs. Ensure the stool is placed on a level surface.
Drawers do not slide smoothly.	Obstruction in the drawer slides; drawer not inserted correctly.	Remove the drawer and check for any obstructions in the slides. Reinsert the drawer, ensuring it aligns properly with the tracks.
Light hums when turned off.	Electrical component interference.	If a humming sound is noticeable when the light is off, unplug the vanity set from the power outlet when not in use. If the humming persists or is loud, contact customer support.
