FITHOOD CS-FBA225BL

FITHOOD Replacement Battery User Manual

Model: CS-FBA225BL

Introduction

This manual provides essential information for the safe and effective use of your FITHOOD Replacement Battery, model CS-FBA225BL. This battery is designed as a high-quality replacement for various HBC crane remote control models. Please read this manual thoroughly before use to ensure proper operation and longevity of the product.
The FITHOOD replacement battery is compatible with the following models:

- HBC Spectrum A
- HBC Technos
- HBC Spectrum 2
- HBC Linus 6
- HBC Radiomatic Eco
- HBC Spectrum 1
- HBC Spectrum B

It is also compatible with battery part numbers: 005-01-00615, BA205000, BA205030, BA206000, BA206030, BA225000, BA225030, FuB05AA, FuB05XL, Hub05AA.

Safety Information

WARNING: To reduce risk of fire or burns, read instructions in operating guide before using the battery.

- Do not attempt to disassemble, open, or service the battery pack.
- Replace only with the battery pack designated for this product.
- Do not crush, puncture, short external contacts, or dispose of in fire or water.
- Do not store above 60°C (140°F).
- New battery pack must be fully charged before use.

Setup

Before first use, ensure the battery is fully charged. The battery is designed to be a direct replacement for the specified HBC models. Verify that the model and battery part number match your device before installation.

Image 1: Top-down view of the FITHOOD Replacement Battery, highlighting the model number, rating, and safety warnings printed on the label.

1. Identify the battery compartment on your HBC crane remote control.
2. Carefully remove the old battery, if present.
3. Insert the FITHOOD Replacement Battery, ensuring the contacts align correctly with the device's terminals.
4. Secure the battery compartment cover.

Operating

Once installed, the battery will power your HBC crane remote control. The battery features a new fully decoded chip, designed to work just like the original battery.

Image 2: Angled view of the FITHOOD Replacement Battery, showing the contact points on one side.

The battery has a capacity of 2000mAh and a voltage of 6.0V, providing reliable power for your device. Monitor your

device's battery indicator to determine when recharging is necessary.

Maintenance

Proper maintenance extends the life of your battery.

- **Charging:** Always use a charger compatible with Ni-MH batteries and your HBC device. Ensure the battery is fully charged before initial use and after prolonged storage.
- **Storage:** If storing the battery for an extended period, store it in a cool, dry place, away from direct sunlight and extreme temperatures. Do not store above 60°C (140°F).
- **Cleaning:** Keep the battery contacts clean and free from dust or debris. Use a dry, soft cloth to wipe the battery if needed.

Troubleshooting

If you encounter issues with your FITHOOD Replacement Battery, consider the following:

- **Battery not charging:**
  - Ensure the battery is correctly inserted into the device or charger.
  - Verify that the charger is functioning and properly connected to a power source.
  - Check for any visible damage to the battery or charger contacts.
- **Short operating time:**
  - Ensure the battery is fully charged before use.
  - Battery life can decrease over time with repeated charge cycles.
  - Extreme temperatures can affect battery performance.
- **Battery not fitting:**
  - Double-check the compatible model and battery part numbers listed in the Introduction section against your device.
  - Ensure correct orientation when inserting the battery.

If problems persist, please contact customer support for assistance.

Specifications

Feature	Detail
Model Number	CS-FBA225BL
Battery Type	Ni-MH (Nickel Metal Hydride)
Capacity	2000mAh
Voltage	6.0V
Watt-Hours (Wh)	12.00Wh
Dimensions	82.30 x 56.90 x 24.40 mm (3.24 x 0.96 x 2.24 inches)
Weight	250g / 8.82oz
Certifications	ISO9001, RoHS, CE

Warranty and Support

All FITHOOD batteries are certified with ISO9001, RoHS, and CE for quality assurance.
For professional suggestions or if you are unsure about compatibility, please send an email with your battery details or pictures to the manufacturer or seller.
Please ensure both the model and battery part number are matched with your device before purchase or contacting support.
