## Lexon LH59G

# Lexon OBLIO Wireless Phone Charger with UV Sanitizer

Model: LH59G | Brand: Lexon

## PRODUCT OVERVIEW

The Lexon OBLIO is a sophisticated 2-in-1 device designed to wirelessly charge your smartphone and sanitize it using UV-C LED technology. It offers a fast 10W QI wireless charging capability and is clinically proven to kill 99.9% of harmful viruses and bacteria.

Image: The Lexon OBLIO device, showcasing its elegant gold finish and the accompanying product packaging.

This innovative device has received recognition, including the CES 2021 Innovation Award in the Health & Wellness category and inclusion in TIME's Best Inventions of 2020, highlighting its unique design and functional benefits.

## SETUP GUIDE

- 1. Unpack the Device:** Carefully remove the Lexon OBLIO wireless charging station and the included USB-C cable from its packaging.
- 2. Connect to Power:** Insert the USB-C cable into the port on the OBLIO device. Connect the other end of the USB-C cable to a compatible USB power adapter. For optimal performance, use a Quick Charge 3.0 power adapter or a DC 9V 2A USB power adapter.
- 3. Placement:** Place the OBLIO on a stable, flat surface. Ensure it is within reach of a power outlet.

Image: The Lexon OBLIO integrated into a living space, demonstrating its aesthetic appeal as a functional decor item.

## OPERATING INSTRUCTIONS

### Wireless Charging

The OBLIO features a 10W QI certified fast wireless charger. To charge your phone:

- 1. Insert Phone:** Gently place your QI-compatible smartphone into the vase-like opening of the OBLIO. Ensure the phone is positioned correctly for wireless charging to initiate.
- 2. Charging Indicator:** A blue light will illuminate when the device is actively charging your phone.
- 3. Charging Time:** Your phone will typically achieve a full charge within approximately 3 hours.

## FAST CHARGE YOUR PHONE

Fully charged in 3h with **inductive charging Qi**

### UV Sanitization

The OBLIO integrates UV-C LED technology to sanitize your smartphone, eliminating 99.9% of viruses and bacteria.

- Sanitization Cycle:** The UV-C sanitization process begins automatically when a phone is placed inside. It takes approximately 20 minutes to complete a cycle.
- Dual-Side Sanitization:** For comprehensive sanitization, it is recommended to flip your phone over after the first cycle to expose the other side to the UV-C light.

## MAINTENANCE

To ensure the longevity and optimal performance of your Lexon OBLIO, follow these simple maintenance guidelines:

- **Cleaning:** Use a soft, dry, lint-free cloth to wipe the exterior of the device. Do not use abrasive cleaners, solvents, or aerosol sprays, as these may damage the finish or internal components.
- **UV-C Light Care:** Avoid looking directly into the UV-C light when it is active. Keep the interior clean to ensure effective sanitization.
- **Storage:** When not in use for extended periods, store the device in a cool, dry place away from direct sunlight and extreme temperatures.

## TROUBLESHOOTING

If you encounter issues with your Lexon OBLIO, please refer to the following common troubleshooting steps:

• **Device Not Charging:**

- Ensure the USB-C cable is securely connected to both the OBLIO and the power adapter.
- Verify that the power adapter is plugged into a working electrical outlet.
- Confirm that your power adapter meets the recommended specifications (Quick Charge 3.0 or DC 9V 2A).
- Check if your phone is Qi wireless charging compatible.
- Remove any thick phone cases or accessories (like pop sockets) that might interfere with wireless charging or prevent proper phone placement.
- Try repositioning the phone inside the OBLIO to ensure proper alignment with the charging coil.

• **Sanitization Not Activating:**

- Ensure the device is powered on and the phone is correctly placed inside.
- The sanitization cycle is automatic and runs for 20 minutes.

• **Blue Light Not Illuminating:**

- This light indicates active charging. If it does not illuminate, refer to the "Device Not Charging" steps.

If the issue persists after attempting these steps, please contact Lexon customer support.

## SPECIFICATIONS

<b>Brand</b>	Lexon
<b>Model Number</b>	LH59G
<b>Product Dimensions</b>	2.76 x 2.76 x 6.89 inches
<b>Item Weight</b>	1.61 pounds
