

RESPAWN RSP-800

RESPAWN 800 Swivel Rocker Gaming Chair Instruction Manual

Model: RSP-800

INTRODUCTION

The RESPAWN 800 Swivel Rocker Gaming Chair is designed to provide ergonomic comfort and support for console gamers. This chair features a 360-degree swivel pedestal base, a 117-degree tilt reclining function, and flip-up armrests for versatile positioning. Its sturdy construction and comfortable padding are engineered for extended gaming sessions.

SETUP AND ASSEMBLY

This section provides instructions for assembling your RESPAWN 800 Gaming Chair. Please ensure all components are present before beginning assembly. It is recommended to assemble the chair on a soft, clean surface to prevent damage.

Components Included

Figure 2: Components included in the box for assembly.

Your package should contain:

- 1x Assembly Instructions
- 7x Main Assembly Parts
- 1x Hardware Pack (screws, tools, etc.)

Assembly Steps

Follow the detailed step-by-step instructions provided in the included assembly guide. Ensure all bolts are securely tightened, but do not overtighten to avoid damaging components. If you encounter any difficulties, refer to the troubleshooting section or contact customer support.

OPERATING INSTRUCTIONS

The RESPAWN 800 chair offers several adjustable features to enhance your comfort and gaming experience.

360-Degree Swivel

The chair is equipped with a 360-degree swivel pedestal base, allowing you to rotate freely without moving the entire chair. This provides flexibility and convenience, keeping you fully engaged in your activity.

Figure 3: The chair's 360-degree swivel and 117-degree tilt recline features.

117-Degree Tilt Recline

Lean back and relax with the 117-degree tilt reclining function. Use the tension dial located underneath the seat to customize the recline resistance to your preference. This allows for comfortable positioning during breaks or less intense moments.

Flip-Up Armrests

The padded armrests can be flipped up, providing versatile comfort and allowing you to adjust your position as needed. This feature is useful for getting closer to a desk or for users who prefer to game

without armrests.

Figure 4: Detail of the flip-up armrests.

Integrated Lumbar and Headrest Support

The chair features an integrated headrest that supports the head and neck, and integrated lumbar support designed to keep the spine contoured. Segmented seat padding helps center your hips for optimal posture.

MAINTENANCE

To ensure the longevity and appearance of your RESPAWN 800 Gaming Chair, follow these simple maintenance guidelines:

- **Cleaning:** Wipe clean with a damp cloth. Avoid harsh chemicals or abrasive cleaners, as these can damage the leather finish.

- **Regular Inspection:** Periodically check all bolts and connections to ensure they remain tight. Retighten if necessary.
- **Surface Use:** This chair is designed for use on hard floor surfaces. Using it on carpet may affect its swivel and rocking functionality.

TROUBLESHOOTING

If you encounter any issues with your RESPAWN 800 Gaming Chair, please refer to the following common solutions:

- **Stability Issues:** Ensure the chair is placed on a flat, hard surface. Verify that all assembly bolts are securely tightened. Avoid sudden or excessive rocking movements.
- **Squeaking Noises:** Squeaking can sometimes occur due to loose connections. Check and tighten all bolts, especially those connecting the seat and backrest. Applying a small amount of silicone lubricant to moving parts may also help.
- **Limited Movement (Swivel/Rock):** Ensure no obstructions are preventing the chair from swiveling or rocking freely. Check the tension dial for the recline function; adjust it to your desired resistance.
- **Weight Capacity:** Do not exceed the maximum weight capacity of 275 pounds to prevent damage and ensure safe operation.

If the issue persists after attempting these solutions, please contact customer support.

SPECIFICATIONS

Feature	Detail
Brand	RESPAWN
