NERF Power Moves Marvel Avengers Captain Marvel Photon Blast Gauntlet

Model: E7378

INTRODUCTION

Thank you for choosing the NERF Power Moves Marvel Avengers Captain Marvel Photon Blast Gauntlet. This toy is designed for children aged 5 and up to engage in imaginative superhero play. It allows users to simulate Captain Marvel's iconic Photon Blast by launching NERF darts. Please read this manual carefully before use to ensure safe and proper operation.

SAFETY INFORMATION

- **WARNING:** Do not aim at eyes or face.
- Use only official NERF darts. Other darts may not meet safety standards.

- Do not modify darts or the gauntlet.
- Adult supervision is recommended for young children.
- Keep away from small children as darts may pose a choking hazard.

WHAT'S IN THE BOX

- 1x Captain Marvel Photon Blast Gauntlet
- 3x NERF Darts
- 1x Instruction Manual (this document)

SETUP

1. **Unpack:** Carefully remove all components from the packaging.
2. **Load Darts:** Insert one NERF dart into the front opening of the gauntlet until it clicks into place. Ensure the dart is fully seated.

OPERATING INSTRUCTIONS

1. **Wear the Gauntlet:** Slide your hand into the gauntlet and secure the strap around your wrist if present.
2. **Prime the Gauntlet:** Pull the blue handle located at the back of the gauntlet towards you until it locks into place. This primes the dart-launching mechanism.
3. **Aim:** Point the gauntlet in a safe direction, away from eyes and faces.
4. **Activate Photon Blast:** Hold down the button on the side of the gauntlet. While holding the button, perform a forward punching motion with your arm. The dart will launch as you complete the motion.
5. **Reload:** After each shot, reload a new dart and repeat the priming and launching steps.

MAINTENANCE

- **Cleaning:** Wipe the gauntlet with a damp cloth to remove dust or dirt. Do not submerge in water.
- **Storage:** Store the gauntlet and darts in a cool, dry place away from direct sunlight.
- **Dart Care:** Keep darts clean and free from damage. Damaged darts may affect performance.

TROUBLESHOOTING

Problem	Solution
Dart does not launch.	Ensure the gauntlet is fully primed by pulling the blue handle until it locks. Verify a dart is properly loaded. Make sure the button is held down firmly during the punching motion.

Problem	Solution
Dart range is poor.	Check if darts are damaged or worn. Use only official NERF darts. Ensure the gauntlet is fully primed.
