

Dacom GF7

Dacom GF7 TWS True Wireless Bluetooth Headset User Manual

Model: GF7

1. INTRODUCTION

1.1 Product Overview

The Dacom GF7 TWS (True Wireless Stereo) Bluetooth Headset offers a compact and lightweight audio solution. Designed for wireless freedom, these earbuds feature Bluetooth 4.2 technology for stable connectivity and clear sound. The intelligent charging case provides convenient power on the go, ensuring your earbuds are ready when you are.

1.2 What's in the Box

Please check the package contents upon unboxing:

- 2 x Dacom GF7 Headsets (Main and Subsidiary Earbuds)

- 1 x Charging Box
- 1 x USB Charging Cable
- 2 x Earbud Tips (Pairs)
- 1 x Carry Bag
- 1 x User Manual (This document)

2. SAFETY INFORMATION

- Do not expose the device to extreme temperatures or humidity.
- Avoid dropping or subjecting the device to strong impacts.
- Do not disassemble or attempt to repair the device yourself. This will void the warranty.
- Keep the device away from water and other liquids.
- Use only the provided charging cable and a compatible power source.
- Prolonged exposure to loud sounds may cause hearing damage. Adjust volume to a moderate level.

3. SETUP

3.1 Charging the Headset and Charging Box

Before first use, fully charge both the earbuds and the charging box.

1. Place the earbuds into the charging box. Ensure they are correctly seated to initiate charging.
2. Connect the USB charging cable to the charging box's port and the other end to a USB power adapter (not included) or a computer's USB port.
3. The indicator lights on the charging box and earbuds will show charging status. Refer to the image below for visual guidance.
4. Once fully charged, disconnect the charging cable.

Image: Illustration of the Dacom GF7 TWS charging process. The left side shows earbuds charging within the case, indicated by red lights. The right side shows the charging case itself being charged, indicated by blue lights, with a label for its 400mAh capacity.

3.2 Pairing with a Bluetooth Device

The Dacom GF7 uses True Wireless Technology for seamless pairing. Follow these three steps:

1. **Step 1: Power On**

Remove both earbuds from the charging box. They will automatically power on and attempt to connect to each other. You will hear an audible prompt indicating they are connected.

2. **Step 2: Activate Bluetooth**

On your smartphone or Bluetooth-enabled device, go to the Bluetooth settings and ensure Bluetooth is turned on.

3. **Step 3: Connect**

Search for available devices. Select "GF7" (or similar, e.g., "Dacom GF7") from the list. Once connected, you will hear a confirmation prompt.

Note: If pairing fails, place the earbuds back into the charging case, close the lid, then reopen and try again. For single earbud use, simply remove one earbud from the case and pair it as described above.

4. OPERATING INSTRUCTIONS

4.1 Multi-functional Button Controls

Each earbud features a multi-functional button for easy control of music and calls.

Image: A close-up of a hand interacting with the multi-functional button on a Dacom GF7 TWS earbud, illustrating how to press the button for control.

Function	Action
Power On	Remove from charging case (automatic) or long press button.
Power Off	Place in charging case (automatic) or long press button.
Play/Pause Music	Single press button.
Answer/End Call	Single press button during an incoming call or active call.
Reject Call	Long press button during an incoming call.
Next Track	Double press button (may vary by earbud/device).
Volume Control	Volume is controlled via the connected device.

4.2 Wearing the Earbuds

Gently insert the earbuds into your ears. Adjust them for a comfortable and secure fit. The correct fit helps

optimize sound quality and noise isolation.

5. MAINTENANCE

5.1 Cleaning

- Use a soft, dry, lint-free cloth to clean the earbuds and charging case.
- Do not use abrasive cleaners, alcohol, or chemical solvents.
- Regularly clean the earbud tips and charging contacts to ensure proper function and hygiene.

5.2 Storage

When not in use, store the earbuds in their charging case to protect them and keep them charged. Store the device in a cool, dry place, away from direct sunlight and extreme temperatures.

6. TROUBLESHOOTING

Problem	Possible Solution
Earbuds not pairing with each other.	Place both earbuds back into the charging case, close the lid, wait a few seconds, then remove them again. They should automatically connect.
Earbuds not connecting to device.	<ul style="list-style-type: none">◦ Ensure Bluetooth is enabled on your device.◦ Make sure the earbuds are charged.◦ Forget "GF7" from your device's Bluetooth list and attempt to pair again.◦ Restart your device and the earbuds.
No sound or low volume.	<ul style="list-style-type: none">◦ Increase the volume on both your device and the earbuds.◦ Ensure the earbuds are properly seated in your ears.◦ Check if the earbuds are connected to the correct device.
Charging issues.	<ul style="list-style-type: none">◦ Ensure the charging cable is securely connected.◦ Check the charging contacts on the earbuds and inside the case for debris.◦ Try a different USB port or power adapter.
