mDesign 8-Drawer Dresser Furniture Unit Instruction Manual

Model: B07VMPDBSK

1. INTRODUCTION

Thank you for choosing the mDesign 8-Drawer Dresser Furniture Unit. This manual provides essential information for the safe assembly, operation, and maintenance of your new storage solution. Please read these instructions carefully before beginning assembly and retain them for future reference.

2. SAFETY INFORMATION

- **Adult Assembly Required:** This product contains small parts and requires adult assembly. Keep children away during assembly.
- **Anti-Tip Device:** For safety, it is highly recommended to secure the dresser to a wall using the provided anti-tip hardware. This prevents accidental tipping and potential injury.
- **Weight Limits:** Do not overload drawers or the top surface. Refer to the specifications section for weight capacities.
- **Stable Placement:** Place the dresser on a flat, level surface. Adjust plastic feet as needed for uneven floors.
- **Avoid Climbing:** Do not allow children to climb on the dresser or open multiple drawers at once, as this can cause the unit to tip.

3. PACKAGE CONTENTS

Please verify that all components are present before beginning assembly:

- Steel Frame Components
- MDF Wood Top
- 8 Removable Fabric Drawers
- Assembly Hardware (screws, plastic feet, anti-tip kit)
- Assembly Tool (Hex/Phillips tool)

4. SETUP AND ASSEMBLY

Follow these steps to assemble your mDesign 8-Drawer Dresser. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

4.1. Visual Guide: Product Dimensions and Features

Figure 1: Product Dimensions. The dresser measures 38.31" high, 33.77" wide, and 11.81" deep.

Figure 2: Key Features: Strong steel frame, durable fabric drawers, and stable, adjustable plastic feet.

4.2. Assembly Steps

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface. Check against the package contents list.
2. **Assemble Frame:** Connect the steel frame components according to the included diagram, ensuring all screws are tightened securely with the provided tool. Pay attention to the orientation of the drawer rails.
3. **Attach Wood Top:** Secure the MDF wood top to the assembled steel frame using the designated screws.
4. **Insert Drawers:** Unfold each fabric drawer and insert the cardboard base for structure. Slide the assembled drawers into the frame.
5. **Adjust Feet:** Adjust the plastic feet at the bottom of the frame to ensure stability on uneven surfaces.
6. **Install Anti-Tip Kit:** Attach the anti-tip hardware to the back of the dresser and to a wall stud, following the specific instructions provided with the kit.

4.3. Assembly Video Reference

For a visual guide on the assembly process, please refer to the following video:

Video 1: Assembly Demonstration. This video provides a step-by-step visual demonstration of how to assemble the dresser unit.

5. OPERATING INSTRUCTIONS

The mDesign 8-Drawer Dresser is designed for convenient storage in various rooms.

- **Drawer Use:** Each fabric drawer features an easy-pull handle for smooth opening and closing.
- **Storage Capacity:** The generously sized drawers are suitable for storing clothing, accessories, linens, toys, and other household items.
- **Top Surface:** The durable MDF wood top provides a stable surface for placing lamps, books, decor, or other lightweight items.

5.1. Product in Use

5.2. Product Overview Video

Watch this video for a general overview of the dresser and its features:

Video 2: Tall Dresser Storage Chest Organizer, 8 Fabric Drawers. This video highlights the product's design and storage capabilities.

6. MAINTENANCE

- **Cleaning:** Clean the steel frame and wood top with a damp cloth. Allow to air dry.
- **Fabric Drawers:** The non-woven synthetic fabric drawers can be spot cleaned with a damp cloth and mild soap if necessary. Do not machine wash. Allow to air dry completely before reinserting into the frame.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight.

7. TROUBLESHOOTING

- **Wobbly Unit:** Ensure all screws are fully tightened. Adjust the plastic feet on the bottom of the frame to stabilize the unit on uneven flooring.
- **Drawers Not Sliding Smoothly:** Check that the fabric drawers are correctly inserted and that the cardboard base is fully in place. Ensure no items are obstructing the drawer's movement.
- **Missing Parts:** If any parts are missing or damaged upon arrival, please contact mDesign customer

support for assistance.
