2. Insert a new replacement nib firmly into the stylus until it clicks into place.

7.3. Storage

When not in use, store the tablet and stylus in a clean, dry place, away from extreme temperatures and direct sunlight. Use the pen holder to protect the stylus.

8. TROUBLESHOOTING

- **No Display/Signal:**
 - Ensure all cables (HDMI, USB) are securely connected.
 - Verify that the power adapter is connected if your computer cannot supply enough power.
 - Check your computer's display settings to ensure the tablet is detected as an external monitor.
