Yaheetech Mirrored Bathroom Cabinet Instruction Manual

Model: YA-00093852 | Brand: Yaheetech

1. PRODUCT OVERVIEW

The Yaheetech Mirrored Bathroom Cabinet is a versatile and elegant wall-mounted storage solution designed for bathrooms, living rooms, or entryways. It features two mirrored doors, providing both storage and a reflective surface. The internal shelf is adjustable, allowing for customized storage space to accommodate various items such as toiletries, towels, or medicines. Constructed from E2-grade MDF with a waterproof and moisture-resistant coating, this cabinet is built for durability in humid environments.

2. SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Keep this manual for future reference.

- Ensure all parts are present and undamaged before beginning assembly. Do not use if any parts are missing or broken.
- Assembly should be performed by at least two adults to prevent injury and ensure proper installation.
- Use appropriate wall anchors and screws for your wall type to ensure secure mounting. Consult a professional if

unsure about wall material or mounting methods.

- Do not overload the cabinet. The maximum weight capacity is 5 kilograms (11 lbs).
- Keep small parts and packaging materials away from children and pets to prevent choking hazards.
- Avoid placing hot items directly on the cabinet surface.
- Regularly check all connections and mounting hardware to ensure they remain tight and secure.

3. PACKAGE CONTENTS

Before starting assembly, unpack all components and verify that you have received all the parts listed below. If any parts are missing or damaged, please contact customer support.

Part	Description	Quantity
A	Top Panel	1
B	Bottom Panel	1
C	Side Panels	2
D	Back Panels	2
E	Mirrored Doors	2
F	Adjustable Shelf	1
G	Hinges	4
H	Shelf Pins	4
I	Mounting Hardware (Screws, Wall Anchors)	Set
J	Assembly Screws	Set

4. SETUP AND ASSEMBLY

Tools Required:

- Phillips Head Screwdriver
- Drill (with appropriate drill bits for wall anchors)
- Level
- Pencil
- Measuring Tape
- Hammer (for wall anchors)

Assembly Steps:

1. **Assemble the Cabinet Frame:** Attach the side panels (C) to the top (A) and bottom (B) panels using the assembly screws (J). Ensure all connections are tight.
2. **Install Back Panels:** Slide the two back panels (D) into the grooves on the assembled frame. Secure them with small screws if provided, or as indicated in the detailed diagram.
3. **Attach Hinges to Doors:** Secure the hinges (G) to the mirrored doors (E) using the provided screws. Ensure they are aligned correctly.
4. **Attach Doors to Cabinet:** Mount the mirrored doors (E) to the cabinet frame by attaching the hinges (G) to the pre-drilled holes on the side panels. Adjust hinges as needed for proper door alignment.
5. **Install Adjustable Shelf:** Insert the shelf pins (H) into the desired height holes inside the cabinet. Place the adjustable shelf (F) onto the pins. The shelf can be adjusted to heights of 24.8 cm, 31 cm, or 37.4 cm.

Image 4.1: Detail of the adjustable shelf pin mechanism, allowing for flexible storage configurations.

Image 4.2: Detailed view of the cabinet hinge, highlighting its construction and attachment points.

6. Wall Mounting:

- Determine the desired mounting location on your wall. Use a level and pencil to mark the positions for the mounting hardware (I). Refer to the dimensions image for mounting hole locations.

Image 4.3: Dimensional drawing of the cabinet, including overall size and internal shelf measurements.

- Drill pilot holes at the marked locations. Insert wall anchors if necessary, then secure the mounting hardware.
- Carefully lift the cabinet and align its mounting points with the secured hardware on the wall. Secure the cabinet firmly to the wall.

Image 4.4: Rear view of the cabinet, illustrating the designated points for wall attachment to ensure stability.

5. OPERATING INSTRUCTIONS

Using the Cabinet:

- **Opening/Closing Doors:** Gently pull the mirrored doors to open and push to close. The hinges are designed for smooth operation.
- **Adjusting Shelf Height:** To change the height of the adjustable shelf, carefully remove any items from the shelf. Lift the shelf slightly, remove the four shelf pins, and reinsert them into the desired set of holes. Then, place the shelf back onto the pins.

Image 5.1: The cabinet with its mirrored doors open, revealing the interior storage space and adjustable shelf.

6. MAINTENANCE AND CARE

Proper care will ensure the longevity and appearance of your cabinet.

- **Cleaning Surfaces:** Wipe the cabinet's wooden surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals, as they may damage the finish.

Image 6.1: Illustration of cleaning the cabinet surface with a soft cloth.

- **Cleaning Mirrors:** Use a standard glass cleaner and a lint-free cloth to clean the mirrored doors. Spray the cleaner onto the cloth, not directly onto the mirror, to prevent liquid from seeping into the edges.
- **Moisture Protection:** Although the cabinet has a moisture-resistant coating, wipe away any standing water or excessive moisture immediately to prevent long-term damage.
- **Regular Checks:** Periodically check all screws and connections to ensure they are tight. Retighten if necessary.

7. TROUBLESHOOTING

If you encounter any issues with your cabinet, refer to the following common problems and solutions:

- **Doors are not aligned or close properly:**
 - Check the hinge adjustments. Most hinges have screws that allow for minor adjustments in door position (up/down, left/right, in/out).
 - Ensure the cabinet itself is level and securely mounted to the wall. An uneven cabinet can cause door misalignment.
- **Cabinet feels wobbly after installation:**
 - Verify that all wall mounting screws are fully tightened and that appropriate wall anchors were used for your wall type.
 - Ensure all internal assembly screws are tight.
- **Shelf is not stable:**
 - Ensure all four shelf pins are fully inserted into the holes and are at the same height.
 - Check that the shelf is correctly seated on all four pins.

If the problem persists, please contact Yaheetech customer support for further assistance.

8. SPECIFICATIONS

Detailed technical specifications for the Yaheetech Mirrored Bathroom Cabinet.

Feature	Detail
Brand	Yaheetech
Model Number	YA-00093852
Color	White
Product Dimensions (L x W x H)	63 x 15 x 65 cm (24.8 x 5.9 x 25.6 inches)
Item Weight	13.4 Kilograms (29.5 lbs)
Maximum Weight Capacity	5 Kilograms (11 lbs)
Material	Engineered Wood (MDF), Metal
Special Feature	Stable, Adjustable Shelf, Mirrored Doors
Mounting Type	Wall Mount
Recommended Uses	Bathroom, Living Room, Entryway (for towels, toiletries, etc.)
