EUGAD Bathroom Mirror Cabinet with Shelf

Model: 58 x 60 x 16 cm White

Brand: EUGAD

1. INTRODUCTION

Thank you for choosing the EUGAD Bathroom Mirror Cabinet. This manual provides essential information for the safe assembly, operation, and maintenance of your new cabinet. Please read these instructions thoroughly before beginning assembly and retain them for future reference.

1.1. Product Overview

The EUGAD Bathroom Mirror Cabinet is a versatile and space-saving solution for your bathroom. It combines a functional mirror with ample storage space, featuring adjustable shelves to accommodate various items.

Constructed from high-quality MDF with a smooth, water-resistant, and abrasion-resistant lacquered surface, it is designed for long-term use in humid environments.

1.2. Safety Information

- Always follow the assembly instructions carefully. Incorrect assembly can lead to instability and potential injury.
- Ensure the cabinet is securely mounted to a suitable wall structure. Use appropriate wall anchors for your wall type (e.g., drywall, concrete).
- Do not overload the shelves. Adhere to the maximum load capacity specified in the specifications section.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Avoid using abrasive cleaners or harsh chemicals on the cabinet surface or mirror, as this may cause damage.

2. PARTS LIST

Before assembly, verify that all components listed below are present and undamaged. If any parts are missing

or damaged, please contact customer support.

No.	Description	Quantity
1	Main Cabinet Frame	1
2	Mirror Door Assembly	1
3	Adjustable Shelves	2
4	Side Shelves (Fixed)	6
5	Mounting Hardware Kit (Screws, Wall Anchors, etc.)	1 set
6	Door Handle	1
7	Magnetic Latch	1

3. SPECIFICATIONS

Feature	Detail
Brand	EUGAD
Model Number	EUGAD
Color	White
Product Dimensions (W x D x H)	58 x 16 x 60 cm
Item Weight	4.7 Kilograms
Maximum Load Capacity	5.35 Kilograms
Material	High-quality MDF (E1), Lacquered Surface
Special Features	Adjustable shelves (3 heights), Integrated Mirror, Magnetic Latch, Metal Handle

4. SETUP AND ASSEMBLY

Assembly of the EUGAD Bathroom Mirror Cabinet is designed to be straightforward. Please follow the step-by-step instructions provided in the included assembly manual. Ensure you have all necessary tools before starting (typically a screwdriver, hammer, and drill for wall mounting).

4.1. Pre-Assembly Checklist

- Unpack all components and verify against the parts list.
- Clear a spacious, clean area for assembly.
- Gather required tools.

4.2. Assembly Steps (General Guidance)

1. Assemble the main cabinet frame using the provided screws and dowels. Ensure all connections are tight.

2. Attach the side shelves to the main frame.
3. Install the hinges onto the cabinet frame and the mirror door.
4. Mount the mirror door to the cabinet frame. Adjust hinges if necessary for proper alignment.
5. Install the door handle and magnetic latch.
6. Determine the desired height for the adjustable internal shelves and insert the shelf pins into the corresponding holes. Place the shelves onto the pins.
7. Mark the wall for mounting holes, ensuring the cabinet is level. Drill pilot holes and insert appropriate wall anchors.
8. Securely mount the cabinet to the wall using the provided mounting hardware.

5. OPERATING INSTRUCTIONS

The EUGAD Bathroom Mirror Cabinet is designed for convenient daily use.

5.1. Using the Mirror

The integrated mirror provides a clear reflection for daily grooming and makeup application.

5.2. Utilizing Storage Space

The cabinet offers various storage options:

- **Behind the Mirror Door:** Use the internal shelves for items you wish to keep out of sight, such as toiletries, medicines, or personal care products.
- **Side Shelves:** The open side shelves are ideal for displaying decorative items, frequently used products, or small towels.

Expand the storagen space

5.3. Adjusting Shelves

The two internal shelves behind the mirror door are adjustable to three different heights (approximately 6.4 cm increments). To adjust, simply remove the shelf, reposition the shelf pins to the desired height, and place the shelf back onto the pins. This allows for customization based on the size of your stored items.

6. MAINTENANCE AND CARE

Proper care will ensure the longevity and appearance of your EUGAD Bathroom Mirror Cabinet.

6.1. Cleaning the Cabinet

- For general cleaning, wipe the cabinet surfaces with a soft, damp cloth.
- For stubborn marks, use a mild, non-abrasive cleaner specifically designed for lacquered furniture.
- Immediately wipe away any spills or moisture to prevent water damage, especially in the bathroom environment.
- Do not use harsh chemicals, abrasive pads, or solvents, as these can damage the finish.

6.2. Cleaning the Mirror

- Use a standard glass cleaner and a lint-free cloth to clean the mirror surface.
- Spray the cleaner onto the cloth, not directly onto the mirror, to prevent liquid from seeping into the edges.

6.3. Periodic Checks

- Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- Inspect wall mounting points for any signs of loosening or damage.

7. TROUBLESHOOTING

This section addresses common issues you might encounter with your mirror cabinet.

Problem	Possible Cause	Solution
Cabinet feels wobbly after mounting.	Loose mounting screws or inadequate wall anchors.	Ensure all mounting screws are tightened. Verify that appropriate wall anchors were used for your wall type. If necessary, consult a professional for secure installation.
Mirror door does not close properly.	Misaligned hinges or magnetic latch.	Adjust the hinges on the mirror door. Check if the magnetic latch is properly aligned and securely attached.
Shelves are not level.	Shelf pins not inserted correctly or unevenly.	Remove the shelf and re-insert the shelf pins, ensuring they are fully seated and at the same height on both sides.
Chemical odor from the cabinet.	New product off-gassing.	Ensure good ventilation in the room for a few days after assembly. The odor should dissipate over time.

8. WARRANTY INFORMATION

EUGAD products are manufactured to high-quality standards. This product comes with a standard manufacturer's warranty covering defects in materials and workmanship under normal use. Please refer to your purchase documentation or contact EUGAD customer support for specific warranty terms and conditions applicable to your region.

9. CUSTOMER SUPPORT

If you have any questions, require assistance with assembly, or need to report missing/damaged parts, please contact EUGAD customer support. Have your product model number and purchase details ready when contacting us.
