## **SAFETY INFORMATION**

The following safety guidelines are provided for your protection and to prevent damage to the device. While specific warnings were not detailed, general precautions for electronic massagers include:

- Do not use near water or in excessively damp environments.
- Discontinue use immediately if you experience pain, discomfort, or any adverse reactions.

- Consult a medical professional before use if you have pre-existing health conditions, such as heart problems, pacemakers, skin conditions, or are pregnant.
- Keep out of reach of children.
- Do not attempt to disassemble or repair the device yourself. Contact customer support for assistance.
- Use only the specified battery type (3 AAA batteries).

## SETUP

Follow these steps to install the batteries and prepare your massager for use:

- 1. Open the Battery Compartment:** Gently twist the top section of the massager to the right (counter-clockwise) to unlock and remove the cover.
- 2. Insert Batteries:** Insert 3 AAA batteries into the compartment, ensuring correct polarity (+/-) as indicated inside.
- 3. Close the Compartment:** Place the cover back onto the massager and twist it to the left (clockwise) until it clicks securely into place.

**Note:** If the massager does not activate, ensure the battery compartment cap is fully tightened. Some units may function even if the cap is not completely tight, but a secure fit is recommended for consistent operation.

## OPERATING INSTRUCTIONS

The cotsoco MA309 massager is designed for simple, one-button operation:

- 1. Power On:** Press the power button located on the top of the massager. The device will begin vibrating, and the LED lights on the massage points will illuminate.
- 2. Apply to Body:** Gently press the vibrating massage points against the desired body area. The massager can be used on various parts of the body, including the neck, shoulders, back, arms, hands, and legs.
- 3. Massage Technique:** Move the massager in circular motions or along muscle lines to target areas of tension. Adjust pressure as needed for comfort.
- 4. Power Off:** Press the power button again to turn off the massager.

The massager features built-in colorful LED lights, providing a unique visual experience during use. Its compact and cordless design makes it suitable for use at home, in the office, or while traveling.

## MAINTENANCE

To ensure the longevity and optimal performance of your cotsoco MA309 massager:

- **Cleaning:** Wipe the exterior of the massager with a soft, damp cloth. Do not use abrasive cleaners or immerse the device in water.
- **Storage:** Store the massager in a cool, dry place away from direct sunlight and extreme temperatures. If storing for an extended period, remove the batteries to prevent leakage.
- **Battery Replacement:** Replace all three AAA batteries simultaneously when the vibration strength weakens or the device stops functioning.

## TROUBLESHOOTING

If you encounter issues with your massager, refer to the following common solutions:

Problem	Possible Cause	Solution
Massager does not turn on or vibrate.	Batteries are dead or incorrectly installed.	Replace with new AAA batteries, ensuring correct polarity.
	Battery compartment cap is not fully tightened.	Ensure the battery compartment cap is securely twisted into place.
Weak vibration.	Low battery power.	Replace all three AAA batteries.
LED lights not working.	Low battery power or internal issue.	Replace batteries. If problem persists, contact customer support.

If the issue persists after attempting these solutions, please contact cotsoco customer support for further assistance.
