4. ASSEMBLY INSTRUCTIONS

Assembly typically takes approximately 30 minutes. An Allen wrench is provided, but a 1/4" ratchet with an Allen bit may expedite the process. A screwdriver will also be needed.

4.1. Assemble the Vanity Table

1. Attach the four table legs to the underside of the vanity tabletop using the provided bolts and Allen wrench. Ensure they are securely fastened.
2. Insert the two main table drawers into their respective slots.

4.2. Attach the Mirror and Top Storage

1. Position the mirror frame with its attached storage shelves onto the back of the vanity tabletop.
2. Secure the mirror unit to the tabletop using the designated screws.
3. Insert the two small top drawers into their respective compartments.

5. OPERATION AND FEATURES

5.1. Storage Capacity

The vanity set is designed with ample storage. It features four open shelves on the top unit and four functional drawers (two small top drawers and two larger main table drawers). These compartments are suitable for organizing cosmetics, lotions, perfumes, brushes, and other beauty essentials. High baffles on the shelves help prevent items from falling.

Large Storage Space

Four drawers and four shelves allow you to keep the cosmetic under control

5.2. Detachable Top

The top mirror stand of this dressing table can be removed. This allows the main table to be used independently as a writing desk or reading table, offering versatility for various room setups.

5.3. 360° Pivoted Mirror

The round mirror is designed to pivot 360 degrees. This feature allows for easy adjustment to achieve optimal lighting and viewing angles during makeup application or grooming.

5.4. Cushioned Stool

The included stool features thick padding with a floral pattern, providing comfort during use. Protective pads are located at the bottom of the stool legs to prevent slipping and floor scratches. The stool can also be used separately as an ottoman or an additional seat.

6. CARE AND MAINTENANCE

- **Cleaning:** The surface of the vanity set is waterproof and scratch-proof. For general cleaning, wipe with a dry, soft cloth. For spills, clean immediately with a damp cloth and then dry thoroughly. Avoid abrasive cleaners or harsh chemicals.
- **Mirror Care:** Clean the mirror with a standard glass cleaner and a lint-free cloth.
- **Stool Care:** The cushioned seat can be spot cleaned with a mild fabric cleaner if necessary. Avoid saturating the fabric.
- **Hardware:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten as needed to maintain stability.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Vanity or stool feels wobbly	Loose screws or uneven placement.	Ensure all assembly screws are tightened. Place the unit on a level surface.
Drawers do not slide smoothly	Misalignment or obstruction.	Check drawer runners for debris. Ensure drawers are inserted correctly and not overloaded.
Mirror does not pivot easily	Tight pivot points.	Gently apply pressure to rotate. Do not force. Check for any obstructions.
Small gaps between assembled pieces	Minor manufacturing tolerances.	This is generally cosmetic and does not affect structural integrity. Ensure all fasteners are tight.
