Safety Information

- Ensure proper assembly according to the instructions provided. Incorrect assembly can lead to instability and potential injury.
- Be aware of weight limits. The desk top has a recommended load of 150 lbs, and each drawer has a recommended load of 30 lbs. Exceeding these limits may cause damage or collapse.
- Consider anchoring the desk to a wall, especially if used in a child's room, to prevent tipping. Anchoring hardware is typically not included and may need to be purchased separately.
- Keep small parts and assembly hardware away from children during assembly to prevent choking hazards.
- Do not stand or climb on the desk.

Package Contents

Before assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Desk Top with 3 Drawers and Built-in Socket
- Detachable Hutch with 2 Drawers, Shelves, and Cork Board
- 4 Solid Wood Legs
- Assembly Hardware (screws, dowels, etc.)
- Instruction Manual
- 4 Drawing Pins for Cork Board

Assembly Instructions

Assembly is designed to be straightforward. It is recommended that two people assemble the desk for ease and safety. All necessary assembly tools are included.

1. **Attach Legs to Desk Top:** Carefully align each of the four solid wood legs with the pre-drilled holes on the underside of the desk top. Secure them using the provided hardware. Ensure all connections are tight and stable.
2. **Install Drawers:** Insert the three main drawers into their respective slots in the desk top. Ensure they slide smoothly.
3. **Position Hutch:** Place the detachable hutch onto the back of the desk top. The hutch can be secured to the desk top using the provided hardware for added stability, or left unattached if you prefer to remove it later.
4. **Install Hutch Drawers:** Insert the two smaller drawers into the hutch compartments.
5. **Connect Power:** If your desk includes a built-in socket, ensure the power cord is accessible and can be plugged into a wall outlet.

5 STEP INSTALLTION

Operating Instructions

Using the Desk and Storage

The desk is designed for various uses, including writing, computer work, and study. Its compact size makes it suitable for bedrooms and home offices.

- **Spacious Desktop:** Utilize the 36.2-inch wide desktop for your tasks.
- **Drawers:** The five drawers (three in the main desk, two in the hutch) provide organized storage for stationery, documents, and other small items.
- **Detachable Hutch:** The 2-tier hutch can be used to display items or store supplies. It can be removed to expand the desktop area if desired.
- **Cork Board:** The integrated cork board in the hutch allows you to pin notes, reminders, or photos using the included drawing pins.

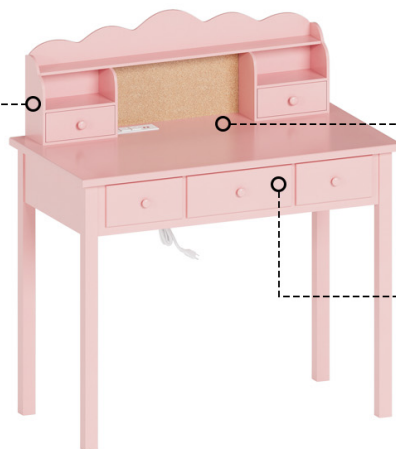

Spacious Desktop Surface

Creative Hutch

Check out the unique wave-shaped design on the included hutch, complete with extra shelves for all the little knick-knacks. It's the perfect spot for your kids to display their favorite toys and unleash their creativity!

Spacious Desk Top

The 36-inch desk provides children with ample space for daily studies, enough to accommodate a desk lamp, books, and various stationery.

5 categorized drawers

This desk features five drawers of varying sizes, perfect for kids to organize small items and keep the desktop clutter-free.

Built-in Socket (New Version Desks)

Newer versions of this desk include a built-in socket for convenient power access.

- Plug the desk's power cord into a standard wall outlet.
- Use the integrated outlets to power lamps, tablets, computers, or other study tools directly from your desk.
- Ensure devices plugged into the socket do not exceed the maximum power rating of the built-in unit.

BULIT-IN SOCKET

Built-in outlets offer convenient power support for your/your child's study/work tools

Maintenance

- **Cleaning:** Wipe the desk surfaces with a damp cloth using only water. Avoid harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Spills:** Clean up spills immediately to prevent staining, especially on the unfinished wood components.
- **Protection:** Consider using a desk mat or protective placemat to shield the desktop from scratches, marker stains, or other damage, particularly if used by children.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

Troubleshooting

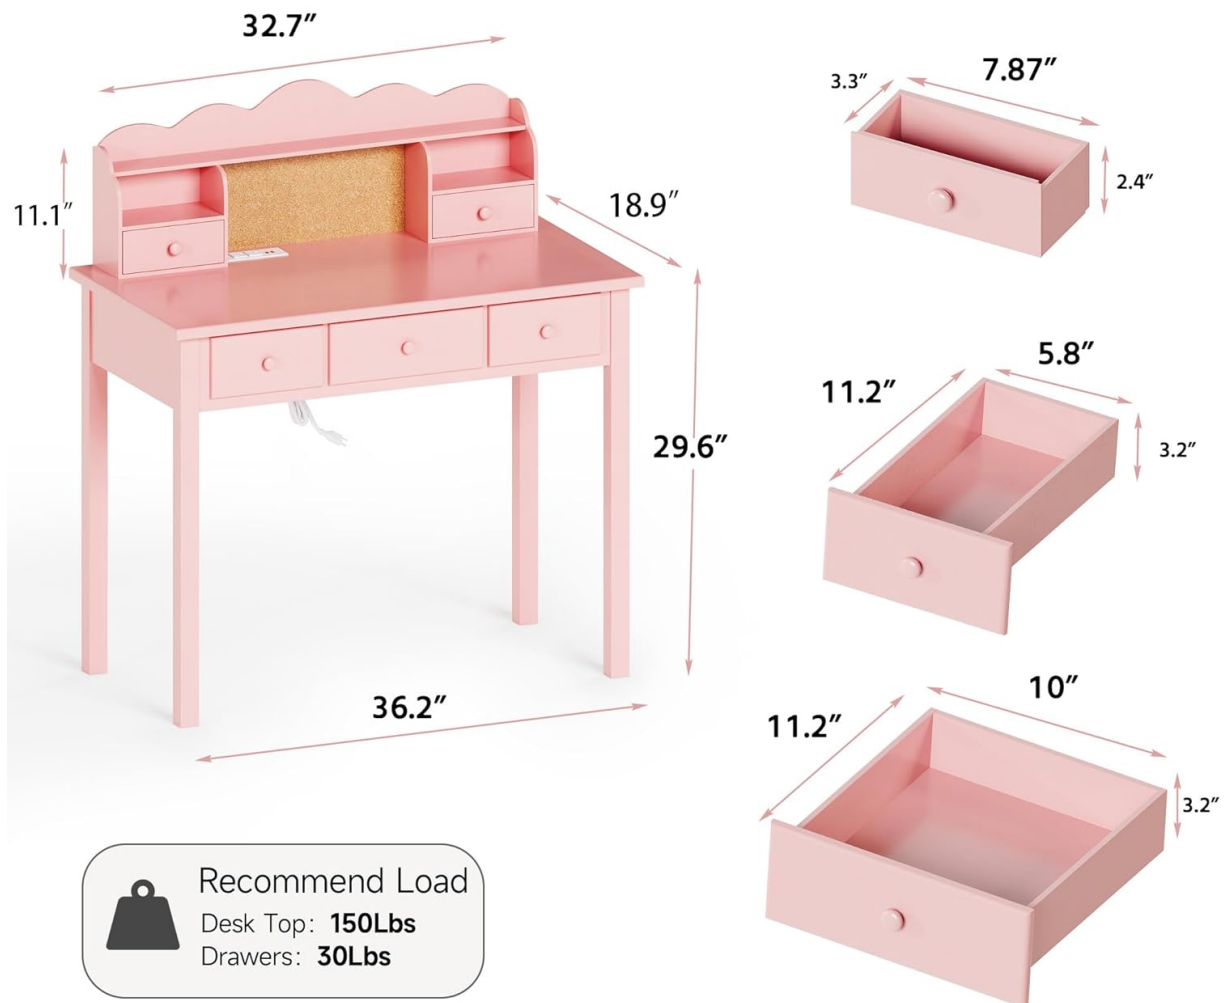

- **Desk Wobbles:** Ensure all leg screws are fully tightened. Check that the desk is on a level surface. Adjust leg levelers if present (not specified for this model).
- **Drawers Stick:** Verify that the drawer slides are correctly aligned and free of obstructions. Ensure no items inside the drawer are preventing it from closing properly.
- **Assembly Difficulties:** If you encounter difficulty during assembly, re-read the instructions carefully. Ensure you are using the correct hardware for each step. Sometimes, parts may appear misaligned due to slight manufacturing variations; gentle force or re-orientation may be needed.
- **Damaged Parts:** If any parts arrive damaged, do not proceed with assembly. Contact customer support for replacement parts.
