SAFETY INFORMATION

For your safety and to prevent damage to the product, please adhere to the following guidelines:

- The maximum load capacity for each seating unit is 330 lbs (approximately 150 kg). Do not exceed this weight limit.
- Always follow the assembly instructions precisely to ensure safe and stable use of the furniture.

- Ensure all bolts and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Keep small parts and packaging materials away from children during assembly to prevent choking hazards.
- Place the furniture on a flat, stable surface to prevent tipping.

PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- 1 x Loveseat
- 2 x Single Chairs
- 1 x Coffee Table with Tempered Glass Top
- Cushions for all seating units
- All necessary hardware and assembly tools

SETUP AND ASSEMBLY

Assembly is straightforward and typically takes approximately 30 minutes. It is recommended to have two people for easier assembly.

1. Unpack all components and lay them out on a soft, clean surface to prevent scratching.
2. Identify all hardware. It is helpful to pre-screw and unscrew bolts into each hole before final assembly to clear any paint or debris.
3. Begin assembling each piece according to the included detailed instructions. **Important: Do not fully tighten any screws until all holes are aligned and all components are loosely fixed.** This allows for flexibility during alignment.
4. Once all parts are in place and aligned, gradually tighten all screws securely.
5. Place the tempered glass top onto the coffee table and the cushions onto the seating units.

MAINTENANCE

Proper care will extend the life and appearance of your Homall patio furniture set.

- **Cleaning Frame and Rattan:** Wipe the steel frame and PE rattan wicker with a damp cloth. For stubborn dirt, use a mild soap solution and rinse thoroughly.
- **Cushion Care:** The cushion covers are designed with zippers for easy detachment and cleaning. Hand wash or machine wash on a gentle cycle with cold water. Air dry only; do not tumble dry.
- **Tempered Glass:** Clean the glass top with a standard glass cleaner and a soft cloth.
- **Weather Protection:** While the rattan is all-weather resistant, prolonged exposure to extreme weather conditions (heavy rain, snow, intense sun) can affect its longevity. Consider using furniture covers or storing cushions indoors during harsh weather.
- **Inspection:** Periodically check all bolts and connections to ensure they remain tight. Re-tighten as needed.

This section addresses common issues you might encounter with your patio furniture set.

- **Wobbly Furniture:** Ensure all bolts are fully tightened. If the issue persists, check if the furniture is on an uneven surface. Adjustable feet (if present) can help stabilize.
- **Difficulty Aligning Holes During Assembly:** Loosely attach all bolts before fully tightening any. This provides flexibility to align parts.
- **Cushions Getting Wet:** While covers are removable for cleaning, the cushions themselves are not fully waterproof. Store cushions indoors or use waterproof covers during rain or heavy dew.
