

Hot Wheels GJK89

Hot Wheels Gorilla Rage Garage Attack Playset Instruction Manual

Model: GJK89

1. INTRODUCTION

The Hot Wheels Gorilla Rage Garage Attack Playset (Model GJK89) offers an interactive play experience where Hot Wheels cars battle a gorilla. This playset is designed to connect with other Hot Wheels City sets and orange tracks, expanding play possibilities. It includes one Hot Wheels vehicle to begin the adventure. This manual provides essential information for setting up, operating, and maintaining your playset, along with important safety guidelines.

2. PACKAGE CONTENTS

- Hot Wheels Gorilla Rage Garage Attack Playset (Main Unit)
- One (1) Hot Wheels vehicle

Figure 2.1: The Hot Wheels Gorilla Rage Garage Attack Playset as it appears in its retail packaging.

3. SETUP

1. **Unboxing:** Carefully remove all components from the packaging. Ensure all parts listed in Section 2 are present.
2. **Base Placement:** Place the main playset unit on a flat, stable surface.
3. **Connecting Tracks (Optional):** The playset features multiple connection points for Hot Wheels orange tracks and other Hot Wheels City sets. Align the connectors and snap them securely into place to expand your play area.

Figure 3.1: The playset ready for action, with the gorilla hidden inside the garage structure.

4. OPERATING INSTRUCTIONS

The Gorilla Rage Garage Attack Playset features an interactive gorilla mechanism that "attacks" cars in the garage bays.

1. **Place Cars:** Drive or place Hot Wheels vehicles into the two garage bays at the front of the playset.
2. **Activate Gorilla:** Locate the levers or buttons on the playset's base. Repeatedly press or manipulate these levers. After several activations, the gorilla figure will rise, lifting the garage structure and "attacking" the cars.
3. **Reset:** Push the garage structure back down until it locks into place, concealing the gorilla and resetting the mechanism for the next attack.

Figure 4.1: A child interacting with the playset, placing a car into one of the garage bays.

Figure 4.2: The gorilla mechanism activated, lifting the garage and displacing a car.

Figure 4.3: Another view of the playset in action, showing cars positioned for play.

5. MAINTENANCE

- **Cleaning:** Wipe the playset with a soft, damp cloth. Do not immerse in water. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the playset in a cool, dry place away from direct sunlight to prevent material degradation.
- **Inspection:** Periodically inspect the playset for any loose or damaged parts. Discontinue use if damage is found and contact customer support.

6. TROUBLESHOOTING

- **Gorilla mechanism not activating:**
 - Ensure the garage structure is fully pressed down and locked into its starting position.
 - Verify that the activation levers/buttons are being pressed firmly and repeatedly.
- **Cars not staying in bays:**
 - Ensure cars are correctly positioned within the designated bays.
 - Only use standard Hot Wheels vehicles designed for playsets.
- **Playset not connecting to other tracks:**
 - Ensure track pieces are compatible with Hot Wheels City connection points.
 - Align connectors carefully and apply gentle pressure until they snap into place.

7. SPECIFICATIONS

Feature	Detail
Brand	Hot Wheels
Model Number	GJK89
Product Dimensions	5.63 x 12 x 9 inches
Item Weight	1.12 pounds
