## Puro Sound Labs JJPNK

# Puro Sound Labs JuniorJams Volume Limiting Headphones User Manual

Model: JJPNK

## INTRODUCTION

This manual provides detailed instructions for the safe and effective use of your Puro Sound Labs JuniorJams Volume Limiting Headphones. Designed with children's hearing protection in mind, these headphones offer a safe listening experience without compromising on sound quality. Please read this manual thoroughly before using the product.

## KEY FEATURES

- **Volume Limiting Technology:** Limits sound output to 85 dB to protect sensitive hearing.
- **Puro Balanced Response Curve:** Delivers clear, high-quality audio.
- **Ambient Noise Isolation:** Isolates up to 87% of ambient noise, reducing the need for higher volumes.
- **Wireless Connectivity:** Bluetooth v4.0 for a stable connection up to 30 feet.
- **Extended Battery Life:** Up to 22 hours of playtime on a single charge.
- **Built-in Microphone:** Enables hands-free calls and online learning.
- **Comfortable Design:** Features plush vegan leather earcups and headband for extended wear.
- **Durable and Adjustable:** Lightweight plastic frame designed for durability and adjustable fit.
- **Daisy Chain Sharing:** Includes a cable with an audio splitter for sharing audio with another pair of headphones.

## PACKAGE CONTENTS

- Puro Sound Labs JuniorJams Headphones
- Charging Cable
- Daisy Chain Sharing Cable
- Soft Travel Bag
- User Manual

## SETUP

## Charging the Headphones

Before first use, fully charge the headphones. Connect the charging cable to the charging port on the headphones and the other end to a USB power source. The LED indicator will show charging status and turn off when fully charged. A full charge provides approximately 22 hours of battery life.

## Bluetooth Pairing

1. Ensure the headphones are charged and powered off.
2. Press and hold the Power button until the LED indicator flashes blue and red, indicating pairing mode.
3. On your device (smartphone, tablet, PC), enable Bluetooth and search for available devices.
4. Select "Puro JuniorJams" from the list.
5. Once connected, the LED indicator will turn solid blue.

## OPERATING INSTRUCTIONS

### Power On/Off

Slide the ON/OFF switch located on the earcup to power the headphones on or off.

### Volume Control

Use the volume buttons (+/-) on the earcup to adjust the listening volume. The headphones are designed to limit maximum volume to 85 dB for hearing protection.

## Music Playback and Call Management

- **Play/Pause:** Press the multi-function button once.
- **Next Track:** Double-press the multi-function button.
- **Previous Track:** Triple-press the multi-function button.
- **Answer/End Call:** Press the multi-function button once during an incoming call or active call.
- **Reject Call:** Press and hold the multi-function button during an incoming call.

## Daisy Chain Sharing

To share audio with another pair of headphones, connect the included Daisy Chain Sharing Cable to the audio output jack of the JuniorJams headphones and the input jack of the second pair of headphones. This allows two users to listen to the same audio source simultaneously.

## MAINTENANCE

---

### Cleaning

Wipe the headphones with a soft, dry cloth. Do not use abrasive cleaners or immerse the headphones in water.

### Storage

When not in use, store the headphones in the provided soft travel bag to protect them from dust and scratches. Avoid storing in extreme temperatures or high humidity.
